

Listing of Government Vehicles

Notes

In an effort to establish a reasonable estimate of government vehicles, we prepared a tentative listing of government vehicles based on information available to us (the actual total could not be arrived at due to the absence of updated inventory records at Procurement and Supply). Based on this tentative listing, there are approximately 1,417 vehicles (automobiles, trucks, motorcycles, tractors, watercraft, and other heavy equipment vehicles) owned and leased by various CNMI government agencies on Saipan, Tinian, and Rota:

Saipan	1,113	(pages 66 through 93)
Tinian	133	(pages 94 through 97)
Rota	<u>171</u>	(pages 98 through 102)
Total	<u>1,417</u>	

We compiled the listing of government vehicles in the succeeding pages based on the following sources:

- 1) Listing prepared by Procurement & Supply office on Saipan as of April 1997 based on the results of their inspection of government vehicles on Saipan, and listings prepared by Procurement & Supply offices on Tinian and Rota as of September 1997 and July 1997, respectively;
- 2) Listing of vehicles from Shell as of November 1996 based on Shell cards issued to all CNMI government agencies on Saipan;
- 3) Listing of vehicles obtained by OPA from various CNMI government agencies between November and December 1996; and
- 4) Listing of government vehicles inspected by OPA auditors during the CNMI-wide inspection in November and December 1996.

The following listing also includes information as to what requirements of the Vehicle Act and the Vehicle Regulations are applicable to each vehicle (“/” means the requirement applies to the vehicle; “E” means vehicle is exempt from the requirement). We determined the applicability of five requirements as follows:

[Requirements 1 - 5: (1) government license plate, (2) marking, (3) no tinting, (4) authorization form if used outside regular work hours, and (5) maintenance of trip log form inside the vehicle]

- 1) Vehicles used primarily for administrative purposes, including vehicles assigned to law enforcement agencies but not used primarily for law enforcement purposes, are covered by requirements 1 thru 5
- 2) Unmarked vehicles bearing non-govt. license plates and determined to be used primarily for law enforcement purposes are exempt from requirements 1 thru 5
- 3) Vehicles bearing govt. license plates and determined to be used primarily for law enforcement purposes are exempt from requirements 4 and 5
- 4) Vehicles assigned to elected officials are exempt from requirements 2, 4, and 5
- 5) Emergency vehicles (fire trucks and ambulance) and heavy equipment vehicles (tractors, dump trucks, etc.) are exempt from requirements 4 and 5
- 6) School buses are exempt from requirement 5
- 7) Boats are exempt from requirements 1, 4, and 5

Explanation of abbreviations:

BRD OF ELEC	Board of Elections
C&CA	Community & Cultural Affairs
CDA	Commonwealth Development Authority
CIVL SER COM	Civil Service Commission
CPA	Commonwealth Ports Authority
CUC	Commonwealth Utilities Corporation
DL&I	Dept. of Labor & Immigration
DL&NR	Dept. of Lands & Natural Resources
DOC	Dept. of Commerce
DOF	Dept. of Finance
DPH&ES	Dept. of Public Health & Environmental Services
DPS	Dept. of Public Safety
DPW	Dept. of Public Works
MVB	Marianas Visitors Bureau
NMC	Northern Marianas College
OPA	Office of the Public Auditor
PSS	Public School System
RTRMNT FUND	Retirement Fund
WSHGTN REP	Office of the Washington Representative
