Executive Summary

Report on CNMI Agencies' Implementation of Audit Recommendations, As of December 31, 2011

Report No. TR-11-02, July 16, 2012

Background

The Office of the Public Auditor (OPA) maintains an audit recommendations tracking system to monitor the implementation and resolution of audit recommendations. On a semi-annual basis, OPA issues its *Report on CNMI Agencies' Implementation of Audit Recommendations* (Audit Recommendation Tracking Report) which presents the audited agencies' compliance with OPA's recommendations.

The provisions of 1 CMC § 2307 established the Interagency Audit Coordinating Advisory Group (Coordinating Group) consisting of the presiding officer and minority leader of each house of the Legislature, the Secretary of Finance, and the Special Assistant for Management and Budget. According to the law, the Coordinating Group is to review all audit reports of the Public Auditor, and the Public Auditor will discuss the manner in which audit recommendations can be implemented with the assistance of the members of the Coordinating Group. The Coordinating Group shall also recommend to the Governor and to the Legislature any changes in laws or regulations which it finds necessary or desirable as a result of its work with the Public Auditor.

The Coordinating Group has not met since 2000. However, OPA continues to send follow-up letters and/or contact agencies with outstanding recommendations to request for information on corrective actions taken to implement OPA's audit recommendations. OPA also meets with agencies when requested to discuss and clarify actions necessary to implement OPA's audit recommendations. This report incorporates agency responses to OPA's follow-up letters or documents obtained by OPA on or before June 15, 2012. In accordance with statutory restrictions in the Auditing and Ethics Acts, the names of individuals and entities are not disclosed in OPA's Audit Recommendation Tracking Report.

Classification of OPA Audit Recommendations

OPA recommendations are classified as either *open*, *resolved*, or *closed*. Open and resolved recommendations are included in OPA's Audit Recommendation Tracking Report.

An *open* recommendation is one where no action or plan of action has been made, or no time frame for the plan of action has been provided by the client (department or agency). A *resolved* recommendation is one in which OPA is satisfied that the client cannot take immediate action, but has established a reasonable plan and time frame for action. A *closed* recommendation is one in which the client has taken sufficient action to meet the intent of the recommendation or OPA has withdrawn it. Also, OPA classifies open and resolved recommendations as *delinquent* if the recommendation has been outstanding for at least 180 days and OPA has not been informed by the concerned agency or department of any action being taken to close the recommendations.

Status of OPA Audit Recommendations

OPA tracked a total of 40 audit recommendations in 2011. Of the 40 audit recommendations, 6 were closed and 34 remained either open or resolved. Of the 34 open or resolved recommendations, 17 were considered delinquent.

The table below presents the status of OPA's audit recommendations as of December 31, 2011.

Status of Audit Recommendations	2011
Total Recommendations Tracked as of December 31, 2011	40
Less: Closed Recommendation(s)	6
Outstanding Recommendations as of December 31, 2011 (Open or Resolved)	34
Number of Delinquent Recommendations	17

Closed Recommendations

OPA closed 6 of the 40 audit recommendations tracked in 2011. An analysis of the recommendation closed showed that the Attorney General's Office, Commonwealth Utilities Corporation, Northern Marianas College, and Northern Mariana Islands Retirement Fund have either implemented or have taken alternative actions to address OPA's recommendations.

Delinquent Recommendations

The number of delinquent recommendations decreased by 9 (34%) from 26 in 2010 to 17 in 2011. Agencies with delinquent recommendations as of December 31, 2011 include the Commonwealth Ports Authority, Department of Finance, Department of Public Lands, and the Department of Public Safety. The recommendations addressed to these agencies were classified as delinquent as OPA was not informed by these agencies within the last 180 days of any corrective action taken to implement OPA's recommendations.

Potential Recovery of \$2.6 Million Referred to the AGO & DOF

As of December 31, 2011, audit recommendations in 7 audit reports were referred to the Attorney General's Office for legal action to recover monies improperly expended. According to these 7 audit reports, approximately \$2.6 million is potentially recoverable. The AGO provided OPA with updates on these referral cases during OPA's follow-up process, however, the amount potentially recoverable remains unchanged.

Potential Recovery of \$3.6 Million Depend on Agencies' Action

OPA identified potential recoveries of approximately \$3.6 million in 8 audit reports addressed to various agencies. During its semi-annual follow-up process for the period July 1, 2011 through December 31, 2011, OPA did not receive updates from the Department of Public Lands. The Northern Mariana Islands Retirement Fund Administrator informed OPA that the status of recovery of funds will be provided to OPA once their review is completed.

Of the \$4,726,434 identified as potentially recoverable, \$1,054,605 has been partially recovered leaving a balance of \$3,671,829 still recoverable as of December 31, 2011.

Independent Auditor's Recommendations

OPA also includes in its Audit Recommendation Tracking Report a total of 112 recommendations from 10 recent audit reports issued by private CPA firms.

incorporated)

Dear Interagency Audit Coordinating Advisory Group:

Enclosed is a copy of the report on CNMI agencies' implementation of audit recommendations included in audit reports issued by the Office of the Public Auditor (OPA) as of December 31, 2011. OPA tracked a total of 40 audit recommendations during calendar year 2011.

We have also included in this report recommendations issued by private Certified Public Accounting (CPA) firms. OPA is not responsible for tracking the implementation of these recommendations; however, they are included in the audit recommendations tracking report for information purposes. As of December 31, 2011, there were a total of 112 recommendations from 10 recent audit reports issued by private CPA firms.

Although the Coordinating Group members did not meet during calendar year 2011, OPA again sent follow-up emails and/or called various government agencies with outstanding audit recommendations as of December 31, 2011. This report incorporates agency responses to follow-up emails/letters received or documents obtained by OPA on or before June 15, 2012. The number of delinquent recommendations decreased by 34% as of December 31, 2011.

In accordance with statutory restrictions in the Auditing and Ethics Acts, the names of individuals and entities in the audits are not disclosed in this report.

Sincerely,

Introduction

Background

The provisions of 1 CMC §2307 established the Interagency Audit Coordinating Advisory Group (Coordinating Group) consisting of the presiding officer and minority leader of each house of the Legislature, the Secretary of Finance, and the Special Assistant for Management and Budget. According to the law, the Coordinating Group is to review all audit reports of the Public Auditor, and the Public Auditor will discuss the manner in which audit recommendations can be implemented with the assistance of the members of the Coordinating Group. The Coordinating Group shall also recommend to the Governor and to the Legislature any changes in laws or regulations which it finds necessary or desirable as a result of its work with the Public Auditor.

The Coordinating Group has not met since 2000, however, OPA continues to issue follow-up letters semi-annually to agencies with outstanding recommendations requesting for information on actions taken to address its recommendations. Additionally, telephone follow-up procedures were also conducted to encourage agencies to respond to OPA's follow-up letters. Moreover, meetings are held when requested by agencies to discuss and clarify actions required to address OPA's recommendations.

On March 13, 2002, the then-Acting Governor issued a letter to the Senate President, Speaker of the House, and the then-Acting Secretary of Finance to remind them of their membership on the Coordinating Group.

This report incorporates agency responses to follow-up letters which OPA received or documents obtained by OPA on or before June 15, 2012. In accordance with statutory restrictions in the Auditing and Ethics Acts, the names of individuals and entities in the audits are not disclosed in this report.

Audit Recommendations Tracking System

OPA maintains an audit recommendations tracking system to monitor implementation and resolution of OPA audit recommendations. Recommendations issued by Independent Auditors are also included in the tracking system for information purposes.

OPA Recommendations - Open and resolved audit recommendations are included in OPA's tracking report. In addition, we have also included recommendations which were closed during the past six months. An *open* recommendation is one where no action or plan of action has been made, or no time frame for the plan of action has been provided by the client (department or agency). A *resolved* recommendation is one in which OPA is satisfied that the client cannot take immediate action, but has established a reasonable plan and time frame for action. A *closed* recommendation is one in which the client has taken sufficient action to meet the intent of the recommendation or we have withdrawn it. Also, we have considered open or resolved recommendations as *delinquent* if the recommendation has been outstanding for at least 180 days and we have not been informed by the concerned agency or department of any action being taken to close the recommendations.

Independent Auditors Recommendations - We have also included in this report recommendations issued by private Certified Public Accountant (CPA) firms. OPA is not responsible for tracking the implementation of these recommendations; however, they are included in the audit tracking report for information purposes. Because OPA is responsible for overseeing all audits of the CNMI government, follow-up procedures are also conducted for these recommendations to determine what actions have been taken by the individual agencies to implement the recommendations issued by private CPA firms. A copy of the agencies' responses is subsequently provided to the CPA firms that conducted the audit to determine whether the agencies' responses are sufficient to consider the recommendations resolved. Based on the classification followed by private CPA firms, a recommendation is described as either *resolved* or *unresolved*.

Status of Audit Recommendations

Audit recommendations tracked in 2011 totaled 40. Of the 40 audit recommendations, 6 were closed and 34 remained either open or resolved. Of the 34 open or resolved recommendations, 17 were considered delinquent.

The following table represents a comparative schedule of the status of all our audit recommendations for calendar years 2009, 2010, and 2011.

Closed Recommendations

OPA closed 6 of the 40 audit recommendations it tracked in 2011. An analysis of the recommendations closed showed that the Commonwealth Utilities Corporation, Northern Marianas College, and Northern Mariana Islands Retirement Fund, and the Attorney General's Office have either implemented or have taken alternative actions to address OPA's recommendations.

Independent Auditor's Report

OPA has included in the tracking report a total of 112 recommendations from 10 recent audit reports released by private CPA firms.

OPA would like to recognize the Commonwealth Development Authority (CDA), CNMI Group Health and Life Insurance Trust Fund (GHLITF), CNMI Workers' Compensation Commission (WCC), and Marianas Public Lands Trust (MPLT) for having no reportable audit finding in each of their Annual Financial and Compliance audit report for fiscal year ended September 30, 2010 conducted by private CPA firms. This is a noteworthy accomplishment for CDA, GHLITF, WCC and MPLT. OPA appreciates the dedication and hard work carried out by these agencies in improving its operation and eliminating the repetition of prior year audit findings.

Other Reports

OPA also issued two procurement appeal decisions in 2011 as follows:

- OPA issued a decision on Appeal (BP-A065) from the denials of protest on PSS RFP 10-088, filed by MEGAbyte of Saipan, Inc. and Marianas Wireless for the Network Design & Installation of Routing and Switching Equipment for the Public School System by the Commissioner of Education. OPA found that PSS did not err in awarding the contract to PacStar.
- OPA issued a decision on Appeal (BP-A066) from the denial of protest on RFP 10-CHC-092, filed by Resources Management International Corporation for Medical/Dental Bill Collection Services for the Commonwealth Health Center. OPA affirms the denial of the protest by the Director of the Division of Procurement and Supply.

AGO & DOF Action Needed for Recovery of Approximately \$2,620,000

As of December 31, 2011, recommendations in 7 audit reports were referred to the Attorney General's Office (AGO) for legal action to recover monies improperly expended.

The following table presents a listing of AGO & DOF referral recommendations involving recovery of funds in which approximately \$2,628,808 is potentially recoverable.

1 AR-97-06 (4/23/97)	DPH - Rota Health Center (RHC) - Recovery from the former RHC Director of amount taken from RHC funds and reimbursement for cost of a washing machine for the period December 1993 to March 1996.	\$4,982	AGO will conduct further review and will provide OPA the results of its review.
2 AR-98-06 (12/14/98)	DOF - Funds misused by the former Secretary of Finance during fiscal years 1995 to 1997.	56,462	<p>AGO provided OPA the results of its review on 2/8/12 and concluded that the Financial Litigation Unit (FLU) of the U.S. Attorney's Office for the Districts of Guam and the Northern Mariana Islands is actively collecting restitution from the former Secretary of Finance. The Attorney General recommends that the Commonwealth not duplicate the efforts of the FLU. The AG also stated that the filing and maintenance of a civil action at this time is not appropriate. Thus, the collection of approximately \$75,000 is reduced to \$56,461.98.</p> <p>OPA will re-direct this recommendation to DOF to monitor the collection of the \$56,461.98 restitution from the former Secretary of Finance until it is fully recovered.</p>
3 AR-99-02 (3/29/99)	WRO - Recovery of the balance of a loan receivable made to a CNMI constituent by the former Washington Representative.	2,200	AGO to follow-up with the Secretary of Finance to see if payments have been made.

Balance of overpayments totaling \$1,315,102 re-directed to AGO of which \$8,302 is immediately recoverable and \$1,306,800 is recoverable if adequately supported.	1,315,102	AGO will conduct further review and will provide OPA the results of its review.
6 AR-00-01 (4/13/00)	DPW - Recovery of \$164,534 in improper payments made to a surveying contractor and adverse action against contractor for misrepresentation relating to the Tinian road resurfacing project in 1997. 7 AR-02-02 (9-11-02)	TCGCC - Audit of Travel Transactions for fiscal years 1996 - 2001. The potential recovery amount for outstanding advances of \$406,925 was reduced by \$14,747.	392,178	AGO will conduct further review and will provide OPA the results of its review.

OPA Referrals to AGO for Legal Determinations

OPA also referred to the AGO recommendations in 2 audit reports requesting legal determinations as follows:

- *Audit of the Compensatory Time Claimed and Retirement Benefits Paid to Two Former Officials of the Commonwealth Ports Authority* [Report No. AR-00-03 issued on July 20, 2000] - On December 24, 2002, OPA referred recommendation 1 of this audit report to the AGO requesting for a determination on the propriety of the Commonwealth Ports Authority's practice of making advance payments of unused annual leave and salary, instead of complying with the provision in the employment contracts that payments will be made upon contract expiration. In addition, the AGO was requested to review OPA's opinion regarding granting six designated officials 14 annual leave hours per pay period.
- *Audit of the Monthly Subsistence Allowance Provided to Members of the Senate* [Report No. AR-03-05 issued on August 6, 2003] - The AGO was requested to review and determine whether legislation should be introduced to grant the Senate authority for the subsistence allowance, to set the amount of the allowance, and to certify the allowance as a public purpose. OPA referred its concerns regarding the allowance to the AGO as OPA and the Senate are unable to reach an agreement to address the recommendation.

On 3/13/12, AGO provided OPA with its analysis and determination on the matter. The AGO stated that the allowance system contained in the Senate Rule 12 is the kind of allowance that courts have generally found to be reasonable. Similar allowances have been routinely paid for many years in the Commonwealth. The present allowance is also in place pursuant to statute. These conditions justify the payment of the subsistence allowance as provided by legislation incorporating the house rules.

Further, the AGO stated that DOF has the responsibility to control expenditures to prevent the waste of public funds. If the amount of allowance claimed is unreasonable in relation to this purpose and appears to provide a personal benefit to the legislature, DOF does not have to pay the claim. DOF can require further justification or documentation before paying the claim. DOF regulations requiring documentation of expenses apply to the legislature, but the current regulations must be amended to apply more effectively to the current form of allowance.

AGO's legal analysis on the matter is sufficient to close this recommendation under AGO and re-direct it to DOF.

Potential Recovery of \$3.6 Million Hinges on Agencies' Actions

Recommendations in 8 audit reports identified potential recoveries due to unpaid rentals of land leases, uncollected labor processing fees, overpayments in professional services contracts and retirement benefits, and improper expenditures of public funds.

During its semi-annual follow-up process for the period covering July 1, 2011 through December 31, 2011, OPA did not received updates from the Department of Public Lands. The Northern Mariana Islands

Retirement Fund Administrator informed OPA that the status of recovery of funds will be provided to OPA once their review is completed.

Of the \$4,726,434 identified as potentially recoverable, \$1,054,605 has been partially recovered leaving a balance of \$3,671,829 still recoverable as of December 31, 2011 as shown in the following table.

Recommendation 1 : *Original:* The Secretary of Finance should require the current Director of RHC to return the amount of \$4,282.02 taken from RHC funds.

As Revised and Redirected to AGO: Determine appropriate legal action to be taken to recover from the current Director of RHC the \$4,282.02 taken from RHC funds.

Agency to Act : Department of Finance - Redirected to the Attorney General's Office

Status : Resolved - Active

Agency Response : During the 11/21/00 meeting with the Coordinating Group, the DOF Secretary provided OPA a bill of collection dated 11/17/00 for \$4,982.02 sent to the current Director of RHC which consists of \$4,282.02 taken from RHC funds and \$700 reimbursement for the cost of the washing machine. On 11/27/00, DOF referred the matter to the AGO to possibly pursue collection through legal proceedings. In his 3/9/01 response, the Acting Attorney General requested a copy of the report for further review purposes.

During a meeting on 2/12/02, AGO informed OPA that the Statute of Limitations has passed regarding this recommendation. In a follow-up letter dated 2/14/02, OPA requested AGO to provide a letter documenting the applicability of the Statute of Limitations to formally close this recommendation.

In his response dated 9/15/03, the Acting Attorney General stated that a search of their files reveal that there are no records of this case in the AGO. On 10/27/03, OPA provided AGO with a copy of the audit report on this case referral and requested the Acting Attorney General to review the matter on this case and determine (1) whether the statute of limitations bars an action, and (2) if it is a matter that the AGO will pursue. On 10/31/03, the Acting Attorney General informed OPA that the CNMI's claim in this matter is potentially in the public interest, thereby removing the statute of limitations as a defense in this case insofar as civil liability is concerned. He further stated that AGO will further evaluate whether a viable suit exists. Based on the 10/31/03 response, OPA will forward to the AGO the file on this referral case for further evaluation.

In his 4/30/04 response, the Deputy Attorney General stated that AGO has adopted a policy to pursue all such cases until the CNMI Supreme Court rules to the contrary.

In his 10/25/04 response, the Acting Attorney General informed OPA that although this referral case was previously closed on 9/5/02, the AGO plans to contact OPA for verification of records.

In her letter response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

On 6/2/08, OPA met with the Attorney General. The Attorney General advised OPA that AGO Civil Division will review the file and decide whether this is an appropriate case to test never-ending statute of limitation for the sovereignty.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct further review and will provide a letter documenting AGO's decision on the matter.

In his letter response dated 6/4/12, the Attorney General informed OPA that "AGO is currently reviewing the recommendation and will be preparing a legal memorandum as to the viability of the collection due to the statute of limitations, costs involved in litigation, and collectability (sic) of the former RHC director."

Additional Information

or Action Required : AGO should inform OPA whether it will pursue legal action for recovery.

Recommendation 4 : *Original:* The Secretary of Finance should deny the claim of the Director of RHC for reimbursement of the cost of the washing machine.

Recommendation 1 : *As Revised:* DOF should provide OPA documents showing recovery of the \$56,461.98 in restitution on the federal case. In addition, AGO should take further legal action against the former Secretary for misappropriation and improper expenditure of public funds.

Agency to Act : Attorney General's Office – Redirected to the Department of Finance

Status : Closed

Agency Response : On 2/22/01, the Federal Court sentenced the former Finance Secretary to 33 months imprisonment and ordered payment of \$56,461.98 in restitution to the court for disbursement to the CNMI Department of Finance.

In his 3/9/01 response, the Acting Attorney General stated that AGO waited until the federal crime case concluded since one count in the case was covered by AGO's case. The former Secretary was ordered to pay restitution in the federal case, thereby reducing the maximum potential judgment. AGO will make a Motion for Summary Judgment and will still seek a judgment of approximately \$75,000 against the former Secretary of Finance for misappropriation and improper expenditure of public funds.

During the 2/12/02 meeting, AGO informed OPA that it will file a Motion for Summary Judgment in the civil action filed against the former Secretary of Finance. In a follow-up letter to AGO dated 2/14/02, OPA compiled a list of its referrals for AGO to prioritize for action. The list included this recommendation.

In his response dated 9/15/03, the Acting Attorney General stated that this case has been forwarded to the AGO's collection team (an in house team assembled to collect debts owed the government that are over the statutory limit for small claims) and the matter is still pending.

In his 10/25/04 response, the Acting Attorney General stated that the civil case against the defendant is still pending for the recovery of funds.

In a response letter dated 3/18/05, the Secretary of Finance stated that the defendant has not made any payments towards his restitution obligation to the CNMI government to date. On 3/31/05, OPA was provided a copy of the letter received from the U.S. Attorney of the District of Guam to the Secretary of Finance informing him that the former Secretary of Finance's assigned U.S. Probation Officer will be setting a payment schedule to dispose of his restitution obligation after July 2005. The U.S. Attorney of the District of Guam will be notifying the Secretary of Finance once the payment plan is established.

In her letter response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

In his letter response dated 4/18/06, the Secretary of Finance provided OPA with a copy of the letter from the US Attorney's District Office on Guam advising OPA of the payment plan the former secretary will be making to the Government. OPA was also provided with a summary of all payments made by the former secretary owed to the government to date. The US Attorney's District Office has been notified that the former secretary has agreed to make monthly payments in the amount of \$100 effective 8/1/05. Additionally, the letter stated that a balance still remains towards the former secretary's imposed assessment fee and that any payments will first be applied to it until it is paid off.

In her response dated 9/11/06, the Assistant Attorney General informed OPA that the former Secretary of Finance has paid \$1,125 towards his restitution obligation as of August 2006. Therefore, a balance of \$55,336.98 is still recoverable from the former Secretary of Finance.

On 6/2/08, OPA met with the Attorney General. The Attorney General advised OPA that the AGO Civil Division will conduct a review on the status of the civil case against the former Secretary of Finance. OPA will provide AGO a copy of the audit report.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct further review and will provide a letter documenting AGO's decision on the matter.

In his response dated 2/8/12, the Attorney General informed OPA that the collection of restitution from the former Secretary of Finance is actively being collected by the Financial Litigation Unit (FLU) of the U.S. Attorney's Office for the Districts of Guam and the Northern Mariana Islands. Further, the Attorney General recommends that the Commonwealth should not duplicate the efforts of the FLU and disagrees that the filing and maintenance of a civil action at this time is appropriate.

OPA's Response: AGO's response dated 2/8/12 is sufficient to close this recommendation under AGO. OPA will re-direct this recommendation to DOF to monitor the collection of the \$56,461.98 restitution from the former Secretary of Finance until it is fully recovered.

Date(s) of follow-up letter(s) sent : 11/29/99 (DOF), 7/11/00, 1/24/01, 8/22/01, 3/4/02, 8/9/02, 2/18/03, 8/4/03, 4/14/04, 9/28/04, 2/15/05, 8/8/05, 3/13/06, 4/28/06 (Re-directed to AGO), 9/26/06 (AGO), 2/7/07, 9/4/07, 3/17/08, 9/16/08, 8/12/09, 11/25/09, 12/10/09, 5/12/10, 10/14/10, 5/17/11, 10/24/11, 5/16/12

Recommendation 15 : *Original:* The Washington Representative should continue his efforts to collect the outstanding loans until such time as he is assured that any further collection efforts would be futile. At that time, the loan documentation should be turned over to the Department of Finance in Saipan for further action. If the obligations are collected, the amount should be returned to the CNMI General Fund.

As Revised and Redirected to DOF: DOF should determine the current status of the loan receivable from the former Resident Representative.

As Revised and Redirected to AGO: AGO should determine appropriate legal action to be taken to recover the \$2,200 reimbursement for the loan receivable from the former Resident Representative.

Agency to Act : Washington Representative's Office - Redirected to the Attorney General's Office

Status : Resolved – Active

Agency Response : In the 9/25/01 response from WRO, it was stated that the \$1,080 loan was fully paid. OPA was provided copies of the official cash receipt and a check for \$50.25 evidencing final payment representing the balance on the employee loan of \$1,080. This portion of the recommendation pertaining to the \$1,080 employee loan is considered closed.

For the \$2,500 loan, the former Resident Representative has entered into an agreement with DOF to make monthly payments in the amount of \$100. The Resident Representative has made three payments totaling \$300 leaving a balance still collectible of \$2,200. OPA was provided copies of the official receipts and checks evidencing payments made of \$300 and a copy of the promissory note for the \$2,500 loan.

In his 3/20/02 response, the current Resident Representative sought the advice of OPA on how to go about collecting the loan made by the former Resident Representative.

In his 8/12/02 response, the Resident Representative suggested that OPA redirect the recommendation to DOF as his office is not involved in the repayment of the loan. On 8/28/02, OPA issued a letter to the Secretary of Finance requesting the current status of the loan receivable.

In his letter dated 3/18/05, the Secretary of Finance stated that the Director of Finance and Accounting had issued a letter to the former Washington Representative on 2/7/03 requesting verification on the total amount already paid pursuant to the audit. DOF has not received a response from the former Washington Representative. DOF will be sending another letter concerning the outstanding balance. DOF will be updating OPA on the status of the outstanding balance upon receipt of a response to their latest letter.

In his letter response dated 4/18/06, the Secretary of Finance informed OPA that the current balance of the loan receivable is \$2,200. He stated that they have not received any additional payments from the former Washington Representative since their last update. The Secretary provided OPA with a copy of the last notice sent out regarding this matter. On 4/28/06, OPA forwarded this to the AGO requesting that they pursue recovery of the remaining balance due from the former Washington Representative.

On 6/2/08, OPA met with the Attorney General. The Attorney General advised OPA that the AGO will follow-up with the Secretary of Finance to see if payments have been made.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will send a letter to the former Washington Representative concerning the outstanding balance. On 12/10/09, OPA provided AGO a copy of OPA's Audit Report AR-99-05, a copy of the promissory note for the \$2,500 loan, and copies of correspondences received pertaining to the former Washington Representative.

On 6/4/12, the Attorney General informed OPA that AGO have gathered some of the relevant documents, and will continue to collect from the original borrower. AGO will prepare a legal memorandum as to the viability of collection through litigation taking into account any issues with the statute of limitations and the amount to be collected.

**Additional Information
or Action Required:**

The AGO should inform OPA of their progress in their attempt to recover the remaining balance due from the former Washington Representative.

Agency Response : On 1/4/01, DOF provided OPA with copies of bills for collection dated 9/1/99 for the following contracts: Contract No. C60196 for \$1,320.94; Contract No. C70156 for \$2,426.25; Contract No. C50388 for \$1,619.66 (additional billing for \$2,000 still to be provided).

In the 10/1/01 response by DOF, the Secretary of Finance stated that the contractor for Contract no. C60355 has a claim against the CNMI for \$18,000. The CNMI refuses to pay the contractor's claim for lack of a change order. DOF is planning to charge the \$935 against the amount claimed by the contractor. For Contract no. C50388, DOF claims that the additional billing of \$2,000 to be provided to OPA is already included in the \$1.4 million which is separately recoverable. OPA looked into DOF's claim and ascertained that the \$2,000 was not included in the \$1.4 million. In addition, DOF is verifying all documents which were identified in the \$1.4 million as recoverable unless adequately supported. DOF provided OPA letters to three contractors requesting supporting documents for invoice under Contract nos. C50388, C31075, C60323, C60373, C70091, C70179, 300082-OC and C60196. DOF will inform OPA of any responses.

In his 4/12/02 response, the Secretary of Finance informed OPA that DOF has sent out notices to four contractors. One contractor responded. Two of the notices were returned undelivered and one contractor replied asking for a more reasonable request given the amount of information and length of time that has elapsed.

On 3/18/05, the Secretary of Finance provided OPA a copy of the invoices and receipts to substantiate payments made for C60114 and C50305 totaling \$94,156.41. Therefore, of the \$1,400,955.91 that is recoverable unless adequately supported, \$1,306,799.50 from three contractors remains to be recovered. The Secretary of Finance is requesting that OPA refer the remaining \$8,301.95 that is immediately recoverable and the remaining \$1,306,799.50 that is recoverable unless adequately supported given the time lapse since the issuance of the bills for collections and letters requesting for supporting documents from the contractors with no response to date. On 6/2/05, OPA referred this matter to the AGO for their review and legal action.

In her letter response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

On 6/2/08 OPA met with the Attorney General. The Attorney General to confirm an existing 99' accord and settlement he discovered in 2006. OPA will provide AGO a copy of the audit report.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct further review and will provide a letter documenting AGO's decision on the matter.

In his response dated 6/4/12, the Attorney General stated that AGO is currently reviewing the recommendation and gathering information pertaining to all three of the contracts involved. The investigation will take some time as each contract will need to be handled individually.

**Additional Information
or Action Required:**

AGO should inform OPA of the results of legal actions taken to pursue collection of the remaining \$8,301.95 that is immediately recoverable and the remaining \$1,306,799.50 that is recoverable unless adequately supported.

Recommendation 5 : *Original:* DOF should continue to take necessary steps to recover the \$164,534 improper payments made to the contractor, unless restitution to the CNMI Government is made in the Federal Court mail fraud case. Recovery efforts should be coordinated with the Attorney General's Office. In implementing this recommendation, recovery of the whole contract price of \$229,438 on the basis that the contract was invalid may be undertaken in lieu of the approach taken above where recovery would be based on the overpayments made to the contractor.

As Redirected to AGO: AGO should continue to take necessary steps to recover the \$164,534 improper payments made to the contractor, unless restitution to the CNMI Government is made in the Federal Court mail fraud case. Recovery efforts should be coordinated with the Attorney General's Office. In implementing this recommendation, recovery of the whole contract price of \$229,438 on the basis that the contract was invalid may be undertaken in lieu of the approach taken above where recovery would be based on the overpayments made to the contractor.

As Revised: AGO should provide OPA documents showing recovery of the \$100,000 in restitution imposed by the United States District Court's sentence imposed on the contractor.

- Agency to Act** : Department of Finance - Redirected to the Attorney General's Office
- Status** : Resolved – Active
- Agency Response** : The DOF Secretary requested AGO's assistance in getting information on the Federal Court case involving the contract. The DOF Secretary stated that her office will proceed with the recommendation after the Federal Court's decision.

During the 12/7/00 meeting with the Coordinating Group, it was agreed that this recommendation should be redirected to the AGO. In its 3/9/01 response, the Acting Attorney General stated that no further action will be taken on this matter. Contact has been made with the United States Probation Department requesting that restitution from the contractor be ordered at sentencing.

During the 2/12/02 meeting, AGO informed OPA that it had already requested the United States Probation Department to recommend that restitution be required from the contractor and that it is awaiting sentencing decision.

On 4/2/02, the United States (US) District Court's sentence imposed on the contractor was 8 months imprisonment and restitution of \$100,000.

In his response date 9/15/03, the Acting Attorney General stated that this case was assigned to an Assistant Attorney General on 5/21/03 and is pending further legal analysis.

In his response dated 10/25/04, the Acting Attorney General stated that the enforcement of the federal court order of restitution should be the responsibility of the U.S. Attorney's Office. Accordingly, the AGO plans to request enforcement by that office.

In her letter response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

On 6/2/08, OPA met with the Attorney General. The Attorney General advised OPA that the AGO will review its internal file to confirm the request made to the US Attorney to enforce the federal court order of restitution.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will follow-up with the federal court regarding the

payment of the restitution and will provide OPA with the results of their follow-up.

In his response dated 6/4/12, the Attorney General informed OPA that it has investigated the matter and the official response is in the final stages of review. In sum, the United States Attorneys' Office is actively collecting the outstanding judgment by selling the contractor's real properties. Thus, the Commonwealth should be substantially reimbursed for the misappropriated funds once the properties are sold.

Additional Information

or Action Required : AGO should inform OPA of the results of its request to enforce payment of the restitution ordered by the federal court.

Recommendation 1 : *Original:* The CPA Board of Directors should adopt personnel rules and regulations that are: (a) within the authority granted by the Commonwealth Ports Authority Act and other CNMI laws such as the Compensation Adjustment Act, (b) consistent with and governed by the same principles of fairness and equality as the CNMI Personnel Regulations, thereby eliminating authorization for FLSA-exempt (executive, administrative and professional) officials and employees to earn comp time, and the granting to six

designated officials of 14 annual leave hours per pay period, or 360 hours per year.

As Redirected: The AGO should review the opinion provided by OPA regarding granting six designated officials 14 annual leave hours per pay period and take legal action if determined necessary.

Agency to Act : Commonwealth Ports Authority - Redirected to the Attorney General's Office

Status : Resolve – Active

Agency Response : In his letter response dated 5/12/00, the CPA Board Chairman disagreed with Recommendation 1. He believed that CPA is not required or obliged to adopt rules and regulations similar or identical to the CNMI Personnel Regulations. He also stated that CPA's system of compensation is generally commensurate with the rest of the Commonwealth government. He further said that the granting of 14 hours annual leave per pay period to designated officials is a matter of personnel policy.

In his 10/12/01 response, the CPA Executive Director also disagreed with OPA's conclusion that CPA is required to adopt personnel rules and regulations that are similar, if not identical, to the CNMI's PSSRR. He stated that matters involving CPA personnel regulations, policies and benefits are strictly for the CPA board to decide. The Executive Director suggested that the legislature could always review the matter and make recommendations to CPA to enact remedial legislation.

In the proposed CPA Personnel Rules and Regulations, the CPA Executive Director has proposed provisions enumerated under Sections 3.05 and 3.07 which addressed OPA's recommendation of eliminating the grant to FLSA-exempt officials and employees to earn overtime or comp time. Also, Section 5.02 of the proposed Personnel Rules and Regulations states that "Employees shall accumulate annual leave at the same rate as such leave time would be accumulated by employees of the Government of the Commonwealth of the Northern Marianas Islands." However, upon inquiry to the CPA Office Manager, OPA learned that CPA still granted the 14 annual leave hours for the last personnel contract executed. The proposed Personnel Rules and Regulations were published in the Commonwealth Register on January 29, 2002 for review and comments by interested parties until February 29, 2002.

In his response dated 8/30/02, the CPA Executive Director informed OPA that CPA's Personnel Rules and Regulations were adopted on August 8, 2002 and were published in the Commonwealth Register. He also stated that CPA's Personnel Rules and Regulations are similar to the PSSRR in terms of personnel regulations, benefits and policies', however; the CPA Board decided to continue the accrual of 14 hours annual leave bi-weekly for

several of its key management employees. On 9/16/02, OPA requested CPA for additional information on the matter.

Based on additional information CPA provided to OPA on 9/25/02, OPA conducted an analysis of the various CPA positions that are currently receiving the 14 hours annual leave benefit per pay period. Based on the analysis, OPA concluded that the positions of the deputy director, deputy comptroller, and the staff engineer may not be entitled to 14 hours annual leave per pay period because they are not encompassed in the exception provided by 2 CMC §2122(n) and are not considered to be "specialists for which no comparable position exist in the Commonwealth". Thus, the compensation, wages, and salary scales of these positions "shall be commensurate with those paid by the Commonwealth requiring comparable education, training, or experience." Based on the analysis, OPA also concluded that while certain positions such as the executive director, comptroller and ports managers, are able to receive compensations non-commensurate "with those paid by the Commonwealth requiring comparable education", OPA maintains its concerns regarding the extension of such generous leave benefits and whether such compensation is truly "reasonable related to the operations of the government" as set forth in Article X, Section 1 of the NMI Constitution, Public Laws 12-2 and 11-84. On 12/24/02, OPA forwarded this information to the AGO for review of the legal issues identified and action if determined necessary.

In his response dated 9/15/03, the Acting Attorney General stated that this case has been assigned to an Assistant Attorney General for review. On 4/30/04, the Deputy Attorney General informed OPA that the Chief of the Civil Division is currently evaluating this case and expects to have its analysis and review completed by June 30, 2004.

The Acting Attorney General's response dated 10/25/04 did not address this recommendation.

In her letter response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

In a meeting with the Attorney General on 6/2/08, OPA was advised that the AGO will conduct further review of the matter. OPA will provide AGO a copy of the audit report.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct further review and will provide a letter documenting AGO's decision on the matter.

In his response dated 6/4/12, the Attorney General informed OPA that AGO is in the process of assessing the legality of CPA's annual leave policies and will provide OPA with a formal written opinion.

Additional Information

or Action Required : The AGO should provide OPA the results of its review on the matter.

Recommendation 5 : Original: The CPA Board of Directors should instruct the CPA Accounting Department to stop the practice of making advance payments of unused annual leave and salary, and comply with the provision in the employment contracts that payments will be made upon contract expiration. In the case of retiring employees not covered by employment contracts, payment should be made on the next payday following the termination of employment or on payroll due dates.

As Redirected: The AGO should provide its legal opinion on the propriety of CPA's practice of making advance payments of unused annual leave and salary, instead of complying with the provision in the employment contracts that payments will be made upon contract expiration. In the case of retiring employees not covered by employment contracts, payment should be made on the next payday following the termination of employment or on payroll due dates.

Agency to Act : Commonwealth Ports Authority - Redirected to the Attorney General's Office

Status : Resolved – Active

Agency Response : In his 10/12/01 response, the CPA Executive Director disagreed with the recommendation and stated that there is nothing illegal about making advanced leave payments for annual leave that has already accrued or advancing a salary that an employee has already earned. He further stated that this is a matter that rests exclusively with the CPA Board.

In a meeting on 2/12/02, this recommendation was included in the list provided by OPA to AGO pertaining to outstanding matters requiring AGO's legal opinion.

In his response dated 9/15/03, the Acting Attorney General stated that this case has been assigned to an Assistant Attorney General for review.

On 4/30/04, the Deputy Attorney General informed OPA that the Chief of the Civil Division is currently evaluating this case and expects to have its analysis and review completed by June 30, 2004.

The Acting Attorney General's response dated 10/25/04 did not address this recommendation.

In her letter response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

In a meeting with the Attorney General on 6/2/08, OPA was advised that the AGO will conduct further review of the matter. OPA will provide AGO a copy of the audit report.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will not pursue this issue and will provide a letter documenting AGO's decision on the matter.

In his response dated 6/4/12, the Attorney General informed OPA that AGO is in the process of assessing the legality of CPA's annual leave policies and will provide OPA with a formal written opinion.

Additional Information

or Action Required : AGO should provide OPA the results of its review on the matter.

Audit of Travel Transactions

Fiscal Years 1996 - 2001

Date(s) of response letter(s) received : 7/22/03, 6/17/04 (TCGCC), 10/25/04 (AGO), 9/1/05 (AGO), 6/2/08 (meeting with AGO), 12/1/09 (meeting with AGO), 6/12/12

Recommendation 1 : *Original* - Recover advances totaling \$406,925 (Appendix A) from the commissioners, officials, and employees unless convincing evidence is submitted showing otherwise. If the commissioners, officials, and employees refuse to repay the funds, the Chairman should request the Attorney General's Office to take legal action against the commissioners, officials, and employees to recover the amount of advances outstanding.

As re-directed to the AGO - Institute legal action against the commissioners, officials, and employees to recover the amount of advances outstanding.

Agency to Act : Tinian Casino Gaming Control Commission - Redirected to the Attorney General's Office

Status : Open – Active

Agency Response : The table on page 4 of the report presents five types of exceptions noted and the potentially recoverable amount. The following information or actions are required for each exception in order to consider the recommendation closed:

1. No travel voucher submitted - \$107,414 - the Tinian Casino Gaming Control Commission (TCGCC) should present travel vouchers and documents to support claimed expenses. Otherwise, it should collect the advances and present evidence of collection from the traveler such as official receipts or, if applicable, evidence of payroll deduction.
2. Insufficient supporting documentation - \$247,278 - TCGCC should present valid documents to support claimed expenses. Otherwise, it should collect the advances and present evidence of collection from the traveler such as official receipts or, if applicable, evidence of payroll deduction.

After the exit briefing conducted on August 14, 2002, certain travelers provided copies of documents evidencing those official trips were performed. Although these documents had not been timely submitted, most of them adequately documented claimed expenses and would reduce exception no. 2 by \$14,672.

3. Unallowable discretionary fund expenses - \$15,829 - TCGCC should present evidence of collection from the traveler such as official receipts or, if applicable, evidence of payroll deduction.

Two travelers concurred that they should pay TCGCC for personal expenses cited by OPA.

4. Improper CNMI advances - \$26,808 - TCGCC should present evidence of collection from the traveler such as official receipts or, if applicable, evidence of payroll deduction.
5. Excessive Per Diem - \$9,596 - TCGCC should present proof of collection from the traveler such as official receipts or, if applicable, evidence of payroll deduction.

On August 16, 2002, a traveler provided OPA a copy of official receipt for payment of \$75 excess per diem.

In his response dated 6/17/04, the Chief Legal Counsel for TCGCC stated that TCGCC had contacted certain commissioners, officials and employees about the allegations in the audit report and was unable to settle their accounts

consistent with the requirements of the recommendation. However, they have followed the recommendation made by OPA and has referred this matter to the AGO for "appropriate action". Although no specific referral letter was issued to the AGO, one of the Assistant Attorney General acknowledged his familiarity with the conclusions of the report and the request by TCGCC that the AGO take "appropriate action" to recover the funds identified in this recommendation. The Assistant Attorney General advised the Chief Legal Counsel that the AGO will review the report and determine what "appropriate action" will be taken against the commissioners, officials and employees identified in the report.

In his response dated 10/25/04, the Acting Attorney General stated that the AGO is currently researching standing issues related to the collection of the debt.

In her letter response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

On 6/2/08 OPA met with the Attorney General. The Attorney General advised OPA to re-direct this recommendation to the Tinian Mayor's Office. Therefore, OPA will re-direct this referral to the Tinian Mayor's Office for review and determination of appropriate actions to be taken to address this recommendation.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA not to re-direct this recommendation to the Tinian Mayor's Office. AGO will conduct further review and will provide OPA a letter documenting AGO's decision on the matter.

On 6/12/12, a status update via email from AGO was provided to OPA stating that the matter is currently being reviewed and a legal memorandum as to the feasibility of collection due to the statute of limitations, costs involved in litigation, and ability of the former employees, commissioners, and officials to pay any judgments obtained.

Additional Information

or Action Required : AGO should provide OPA the results of its review.

Recommendation 2 : Request the telephone company to reduce the number of agency telephone lines with long-distance access and limit long-distance access only to certain employees.

Agency to Act : AGO-Division of Immigration – Tinian

Note: This recommendation was previously addressed to the Department of Labor and Immigration (DOLI) - Tinian. Pursuant to Executive Order 03-01 dated 3/10/03, the Division of Immigration was transferred to the AGO. Implementation of this recommendation will now be required from AGO-Division of Immigration - Tinian.

Status : Closed

Agency Response : The Resident Director of DOLI Tinian appears to disagree with the recommendation. She stated that DOLI Tinian has four divisions which contain an average of two to three sections. She explained that the current ten telephone lines often results in hampered public services due to busy telephone signals. Hence, she maintained that her department will continue with the set-up of ten telephone lines.

In a conference call between the DOLI Tinian Resident Director's Secretary and OPA on 2/18/03, the Secretary stated that there are only four DOLI personnel who have access to a pin number used to make long-distance calls. Also, the only telephone line with direct access to long-distance is in the Resident Director's office.

In a telephone conversation with the Deputy Attorney General in Mid-June, OPA was informed that the recommendation has been implemented. OPA will request the AGO to provide written documentation evidencing implementation of the recommendation in order to consider the recommendation closed.

In her response letter dated 9/1/05, the Attorney General stated that they are currently working on this matter.

On 6/2/08, OPA met with the Attorney General. The Attorney General advised OPA to follow-up on this recommendation with the Division of Immigration-Tinian. Therefore, based on AGO's response this recommendation will be re-directed to the Division of Immigration - Tinian.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA not re-direct this recommendation to the Division of Immigration - Tinian and to consider this recommendation moot due to the federalization of the Division. AGO will provide a written response to document their decision on the matter.

In his letter dated 2/8/12, the Attorney General advised OPA to consider this recommendation mooted due to the passage of time and intervening change in law, and will not recommend anyone on Tinian change any aspects of telephone service. AGO's decision and written response on this matter is sufficient to close this recommendation.

Recommendation 3 : Recovering the residual value of three unused return airline tickets totaling \$723 and the overpayment of per diem of \$1,605 from the three travelers involved.

Agency to Act : Attorney General's Investigative Unit

Status : Resolved – Active

Agency Response : In her response dated 5/12/03, the former Attorney General informed OPA that a \$723 credit voucher had been issued by the involved travel agency to be depleted by off-setting with future airline tickets for investigation related to the local law enforcement funds purpose with no restrictions. Furthermore, the Attorney General outlined two steps to resolve the travelers' overpayment of per diem - (1) the current AGIU investigator will re-pay the fund in cash, and (2) the two other travelers, now both civilians and not

attached to AGIU, will be contacted by an Assistant Attorney General for repayment through legal process.

In his response dated 9/15/03, the Acting Attorney General stated that this case was cleared by OPA. Upon further review, OPA determined that this case has not yet been cleared since OPA was not provided copies of documents evidencing re-payment made into the fund by the current AGIU investigator for the overpayment of per diem and the results of their collection effort for the other two travelers with overpayments of per diem who are no longer employed with the AGIU.

On 4/30/04, the Deputy Attorney General informed OPA that one AGIU investigator has repaid \$535 to the CI Fund. Supporting documents to evidence re-payment made by the AGIU investigator was subsequently provided to OPA on 7/20/04. Also, an attorney has been assigned to evaluate the case and to recover the uncollected balances due to the CNMI government. Based on AGO's response and supporting documents provided, \$535 has been collected, leaving a balance of \$1,070 still recoverable from the two remaining investigators who are no longer attached to AGIU.

In his response dated 10/25/04, the Acting Attorney General stated that OPA only allowed \$200 per diem rate, however, the AGO Administrative Officer determined that AGIU was allowed higher per diem rate. He further stated that OPA required receipts and disallowed some expenses; however, under current travel policies and memoranda, per diem does not have to be justified by receipts. The requirement imposed is that boarding passes must be supplied. The AGO also stated that there are no fiscal rules regarding paid travel, per diem, or hearing procedures in contested cases. AGO plans to meet with OPA and DOF to discuss this matter further.

OPA Response: The CNMI Travel Regulations are clear as to what type of expenses can be covered by the travel advance and OPA agrees that per diem does not have to be covered by receipts. However, per diem rates per locality are also established by the Regulations and we have not seen anything in writing allowing AGIU to exceed the \$200 per diem rate for the Korea trip. Pursuant to regulations, meals are covered by the per diem and should not form part of the additional expenses deductible from the advance. Sightseeing tour entrance fees are also not among those allowed as legitimate travel expenses. OPA still believes that the excess amount should be returned by the travelers unless the AGO can justify what it claims "a higher per diem rate for investigators". OPA would be ready to further discuss this issue with AGO.

In her response dated 9/1/05, the Attorney General stated that there has been no change to the development of this case.

On 6/2/08, OPA met with the Attorney General. The Attorney General requests that OPA provide additional information pertaining to this recommendation for further review. OPA will provide AGO with a copy of the audit report and the additional information requested.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct an internal review and will provide OPA the results of its review.

In his response dated 6/4/12, the Attorney General informed OPA that AGO is investigating the reasons behind the higher per diem rate for the travelers involved. Reviewing and obtaining all relevant records may take some time. Once all documents are received, AGO will prepare a legal memorandum as to the viability of collecting the alleged overpayments if such payments are legally collectable.

Additional Information

or Action Required : AGO should inform OPA of the results of their collection effort for the other two travelers with overpayments of per diem who are no longer employed with the AGIU and provide copies of documents evidencing payments until fully recovered.

CNMI Senate, Thirteenth Legislature
Monthly Subsistence Allowance Provided to Members
of the Senate Covering the Period Ending June 30, 2002

Date(s) of response letter(s) received : 5/12/04 (request for extension to respond), 10/13/04, 3/8/05 (telephone follow-up), 3/14/05, 8/17/05 (meeting with Senate Legal Counsel), 8/29/05, 6/2/08, 12/1/09 (meeting with AGO), 3/13/12

Recommendation 1 : *Original:* Introduce legislation to grant it authority for the subsistence allowance, to set the amount of the allowance, and to certify it as a public purpose.

As Revised and Re-directed to the AGO: AGO should inform OPA of the results of its review and legal determination on whether the Senate should introduce legislation to grant it authority for the subsistence allowance, to set the amount of the allowance, and to certify it as a public purpose.

As Revised and Re-directed to the DOF: The DOF should promulgate regulations or amend its current regulation to require the Senate to document expenses from the subsistence allowance.

- Agency to Act** : Senate - Redirected to the Attorney General's Office
- Status** : Closed
- Agency Response** : The Senate stated that the subsistence allowance need not be in the form of a law. Instead the Senate asserts that it has implied statutory authority to establish the subsistence allowance for its members by Senate rule because 1 CMC §121(i) states that "expenditures authorized and regulated by legislative rules are expressly declared to be for a public purpose..."

In his response dated 10/13/04, the Senate President informed OPA that after reviewing the controlling legal authorities and after extensive deliberation and discussion, the Senate feels that a comprehensive Constitutional and statutory system currently exists to adequately govern the allowance given to members of the Senate and that no further legislation is necessary at this time.

OPA Response - OPA did extensive legal research which formed the basis for the recommendation. OPA believes the CNMI Constitution clearly addresses these issues. OPA disagrees that the Senate may impliedly grant itself the authority to create an allowance for expenses through its internal rules. Therefore, until such time as the allowances that have been created by the Senate rules are discontinued, OPA must reiterate that the potential for legal challenges to the constitutionality of the authority for the monthly allowance exists. OPA urges the Senate to reconsider its position and to establish and justify the amount of its subsistence allowance through legislation.

OPA is redirecting this recommendation to the Attorney General's Office for review as OPA and the Senate was unable to reach an agreement to address OPA's concern. Although OPA respects the Senate's position on this matter, OPA still disagrees that the Senate may impliedly grant itself the authority to create an allowance for expenses through its internal rules. As the potential for legal challenges to the constitutionality of the authority for the monthly allowance exists, OPA feels it is in the best interest to refer the legal issues identified to the Attorney General's Office for its legal review and determination.

On 6/2/08, OPA met with the Attorney General. The Attorney General requested for a copy of the audit report and prior communications between the Senate and OPA so that the AGO can conduct its review. AGO will issue an opinion on the legality of the issue.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct further review and will provide a letter documenting AGO's decision on the matter.

On 3/13/12, AGO provided OPA with its analysis and determination on the matter. The AGO stated that the allowance system contained in the Senate Rule 12 is the kind of allowance that courts have generally found to be reasonable. Similar allowances have been routinely paid for many years in the Commonwealth. The present allowance is also in place pursuant to statute. These conditions justify the payment of the subsistence allowance as provided by legislation incorporating the house rules.

Further, the AGO stated that DOF has the responsibility to control expenditures to prevent the waste of public funds. If the amount of allowance claimed is unreasonable in relation to this purpose and appears to provide a personal benefit to the legislature, DOF does not have to pay the claim. DOF can require further justification or documentation before paying the claim. DOF regulations requiring documentation of expenses apply to the legislature, but the current regulations must be amended to apply more effectively to the current form of allowance.

AGO's legal analysis on the matter is sufficient to close this recommendation under AGO and re-direct it to DOF.

Recommendation 1 : *As Revised:* DOF should provide OPA documents showing recovery of the \$56,461.98 in restitution on the federal case. In addition, AGO should take further legal action against the former Secretary for misappropriation and improper expenditure of public funds.

Agency to Act : Department of Finance

Status : Resolved – Active

Agency Response : On 2/22/01, the Federal Court sentenced the former Finance Secretary to 33 months imprisonment and ordered payment of \$56,461.98 in restitution to the court for disbursement to the CNMI Department of Finance.

In his 3/9/01 response, the Acting Attorney General stated that the AGO waited until the federal crime case concluded since one count in the case was covered by AGO's case. The former Secretary was ordered to pay restitution in the federal case, thereby reducing the maximum potential judgment. AGO will make a Motion for Summary Judgment and will still seek a judgment of

approximately \$75,000 against the former Secretary of Finance for misappropriation and improper expenditure of public funds.

During the 2/12/02 meeting, AGO informed OPA that it will file a Motion for Summary Judgment in the civil action filed against the former Secretary of Finance. In a follow-up letter to AGO dated 2/14/02, OPA compiled a list of its referrals for AGO to prioritize for action. The list included this recommendation.

In his response dated 9/15/03, the Acting Attorney General stated that this case has been forwarded to the AGO's collection team (an in house team assembled to collect debts owed the government that are over the statutory limit for small claims) and the matter is still pending.

In his 10/25/04 response, the Acting Attorney General stated that the civil case against the defendant is still pending for the recovery of funds.

In a response letter dated 3/18/05, the Secretary of Finance stated that the defendant has not made any payments towards his restitution obligation to the CNMI government to date. On 3/31/05, OPA was provided a copy of the letter received from the U.S. Attorney of the District of Guam to the Secretary of Finance informing him that the former Secretary of Finance's assigned U.S. Probation Officer will be setting a payment schedule to dispose of his restitution obligation after July 2005. The U.S. Attorney of the District of Guam will be notifying the Secretary of Finance once the payment plan is established.

In his response letter dated 4/18/06, the Secretary of Finance provided OPA with a copy of the letter from the US Attorney's District Office on Guam advising OPA of the payment plan the former secretary will be making to the government. OPA was also provided with a summary of all payments made by the former secretary owed to the government to date. The US Attorney's District Office has been notified that the former secretary has agreed to make monthly payments in the amount of \$100 effective 8/1/05. According to the payment summary provided by DOF, payments made by the former secretary totaled \$625.00 as of 3/21/06, thus leaving a balance outstanding of \$55,837.00. Additionally, the letter stated that a balance still remains towards the former secretary's imposed assessment fee and that any payments will first be applied to it until it is paid off.

In her response dated 9/11/06, the Assistant Attorney General informed OPA that the former Secretary of Finance has paid \$1,125 towards his restitution obligation as of August 2006. Therefore, a balance of \$55,336.98 is still recoverable from the former Secretary of Finance.

On 6/2/08, OPA met with the Attorney General. The Attorney General advised OPA that the AGO Civil Division will conduct a review on the status of the civil case against the former Secretary of Finance. OPA will provide AGO a copy of the audit report.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct further review and will provide a letter documenting AGO's decision on the matter.

In his response dated 2/8/12, the Attorney General informed OPA that the collection of restitution from the former Secretary of Finance is actively being collected by the Financial Litigation Unit (FLU) of the U.S. Attorney's Office for the Districts of Guam and the Northern Mariana Islands. Further, the Attorney General recommends that the Commonwealth should not duplicate the efforts of the FLU and disagrees that the filing and maintenance of a civil action at this time is appropriate.

OPA's Response: AGO's response dated 2/8/12 is sufficient to close this recommendation under AGO. OPA will re-direct this recommendation to DOF to monitor the collection of the \$56,461.98 restitution from the former Secretary of Finance until it is fully recovered.

Additional Information

or Action Required : DOF should continue to update OPA on the collection of the \$56,461.98 restitution in the federal case until the entire amount is fully recovered.

- Agency to Act** : Department of Finance
- Status** : Resolved – Delinquent
- Agency Response** : The provisions of Government Vehicle Regulations No. 1101 Section 11 (e) as adopted by the Department of Finance in the Commonwealth Register on 4/15/93 state that the Secretary of Finance shall have the authority to revoke the employee’s CNMI government vehicle permit, immediately confiscate the vehicle in question, bring disciplinary action against the offending official or employee, or refer the matter to the Attorney General or Department of Public Safety for further investigation.

In his 4/12/02 response, the Secretary of Finance informed OPA that revisions to the amended Government Vehicle Regulations are near completion and a copy will be provided to OPA upon their adoption.

On a regular basis, the Tinian Procurement Office should conduct an inventory to establish the physical existence, condition and location of fixed assets. It should also compare its record of assets with the inventory and take appropriate action with respect to any differences. Any missing item should be properly accounted for by the concerned agency.

Agency to Act : Department of Finance

Status : Resolved – Delinquent

Agency Response : During the 11/21/00 meeting with the Coordinating Group, the Procurement and Supply (P&S) Director agreed to issue a memorandum to the Tinian Procurement Office and even to the Rota Procurement Office directing them to conduct their own annual inventory. In the 10/1/01 response from DOF, there was no indication of any action taken on this recommendation.

On 4/12/02, the current Secretary of Finance responded that his office has requested copies of the inventory results from Rota and Tinian for DOF to provide to OPA.

On 3/18/05, the Secretary of Finance provided OPA a copy of the new CNMI Property Management Policies and Procedures dated 1/8/03 which states that capital inventories shall be conducted on an annual basis. Based on the new policies and procedures, the inventory results for 2004 is due on March 23, 2005. Recommendation 3 : The Contracting Officers should recover payments (including interest) made to contractors whom we identified as having been paid without performing their work, and refer those who refuse to pay to the AGO for legal action.

Agency to Act : Department of Finance - Treasury for Contact C40113, C50108

Status : Resolved – Delinquent

Agency Response : On 1/14/00, AGO and the Director of Procurement and Supply met with the former contractor which resulted in the former contractor agreeing to repay the Commonwealth \$96,100. The former contractor signed a promissory note with the AGO for monthly payments of \$300 to the CNMI Treasury beginning 2/15/00.

During the 2/12/02 meeting, AGO informed OPA that the former contractor in this matter remains in compliance with the settlement promissory note and therefore AGO just needs to continue to monitor compliance.

In his letter dated 4/18/06, the Secretary of Finance informed OPA that total payments made on the promissory note as of 3/21/06 amounted to \$14,000 leaving a balance of \$81,900 still to be recovered. According to the summary

schedule provided by DOF, the former contractor is 27 months behind with his payments as of 3/21/06.

In a meeting with the Attorney General on 6/2/08, OPA was advised that AGO will follow-up with DOF on the \$96,100 promissory note signed by the contractor.

Additional Information

or Action Required : *For Contract Nos. C40113 and C50108* - Until full amount has been paid, DOF-Treasury should continuously provide OPA evidence (*i.e.*, official receipts) of collections from the former contractor which pay directly to the CNMI Treasury. DOF should also update AGO on the status of payments made by the former contractor and his non-compliance with the promissory note. Accordingly, DOF should update OPA on the results of its communication with the AGO on this matter.

Recommendation 8 : The Secretary of Finance should issue a memorandum instructing the DOF - Accounting Section to recover or offset from future payments the \$15,079 in overpayments to contractors.

Agency to Act : Department of Finance

Status : Resolved – Delinquent

Agency Response : In the 10/1/01 response from DOF, the Secretary of Finance stated that \$7,559 (for Contract no. C50083) of the \$15,079 in total overpayment has already been settled and that supporting documents regarding the settlement were provided to OPA. For the others in question which include \$1,020 (for Contract no. C50132) and \$6,500 (for Contract no. C50208), DOF requested that AGO initiate a recovery action, given the length of time involved and the improbability of a reply from both contractors.

In his 4/12/02 response, the Secretary of Finance provided OPA a copy of a memorandum requesting the Acting Director of Finance and Accounting to review the records pertaining to the payments in question and to issue a demand for payment immediately.

In his letter dated 3/18/05, the Secretary of Finance informed OPA that after their review of the files, DOF was unable to confirm whether bills were sent out to two contractors. DOF will gather all the required documents to include with the bills for collection and provide OPA a copy. DOF will also refer the matter to the AGO for collection.

In his response letter dated 4/18/06, the Secretary of Finance informed OPA that the Acting Director of Finance and Accounting is unable to provide copies of accounts payable vouchers (APV) that are needed as supporting

documents when bills are sent out for collection. The Secretary further stated that since this was an OPA-initiated audit, the OPA should have copies of the payment vouchers in question, as they should have been part of the working files. In the meantime, they are consulting with the Office of the Attorney General as to the appropriate course of action(s) that can be taken considering the lack of supporting documents and the statute of limitation on these claims.

Additional Information

or Action Required : DOF should provide OPA with the documents evidencing settlement of the \$7,559 (for Contract no. C50083). DOF should also provide OPA a copy of the bills for collection to recover the overpayment of \$1,020 (for Contract no. C50132) and \$6,500 (for Contract no. C50208). Finally, DOF should update OPA on the results of its communication with the AGO on the appropriate course of action(s) that can be taken on these claims.

Recommendation 2 : The Secretary of Finance should instruct the Director of Procurement and Supply to:

- a) Develop written procedures for marking of government vehicles (except law enforcement vehicles and vehicles used by elected officials). Among other things, the written procedures should specify 1) the period when markings should be made (e.g., within a specified time frame after vehicle has been delivered by vendor); 2) the information to be included in the markings, such as the agency name, and if the vehicle is government-owned, the property number as well; 3) the exact size of the markings that will allow them to be visible and readable even when the vehicle is in motion; 4) the exact placement of the markings on the door; and 5) the material to be used for marking.

(Note: The marking should show the agency's full name and not just the acronym or the first letters of the agency's name. Use of full name instead of acronym readily identifies the agency accountable for the vehicle, and prevents mistaking one agency for another that has the same acronym.)

- b) Maintain updated government vehicle inventory listings and conduct periodic inventories of all government vehicles on Saipan, Rota, and Tinian.
- c) Revise the standard vehicle specifications and features guidelines issued by the Procurement and Supply Division to emphasize that procurement of vehicles with factory-tinted windows is prohibited by statute. Reject purchase requisitions made by any government agency to procure vehicles that do not conform to the standard vehicle specifications and features guidelines.

Agency to Act : Department of Finance - Procurement & Supply

Status : Resolved – Delinquent

Agency Response : In the 10/1/01 response from DOF, the Secretary of Finance stated that DOF is currently updating the vehicle regulations to include items (a) and (c) of Recommendation 2. OPA was provided the initial draft copy of the regulations. In addition, DOF provided OPA a government vehicle inventory listing as of January 2001 which addressed item (b) of the recommendation.

In his 4/12/02 response, the Secretary of Finance informed OPA that revisions to the amended Government Vehicle Regulations are near completion, and a copy will be provided to OPA upon their adoption.

In his 3/18/05 response, the Secretary of Finance informed OPA that DOF is currently reviewing the proposed amendments to the regulations. The Director of Procurement and Supply had requested for an additional 30 days to conduct further review with the assistance of the Attorney General's Office. The Secretary of Finance stated that they will have the amended regulations published in the April 2005 Commonwealth Register and have the amendments adopted in May 2005.

In his letter response dated 4/18/06, the Secretary of Finance informed OPA that the amended regulations will be completed by 6/30/06 and published for adoption 60 days thereafter.

Additional Information or Action Required : DOF should provide OPA a copy of the revised Government Vehicle Regulations upon their adoption.

Report No. AR-03-05 issued August 6, 2003
CNMI Senate, Thirteenth Legislature
Monthly Subsistence Allowance Provided to Members
of the Senate Covering the Period Ending June 30, 2002

Date(s) of follow-up letter(s) sent : 4/13/04 (Senate), 9/27/04, 2/15/05, 8/9/05, 9/22/05, 3/8/06, 2/7/07 (Re-directed to AGO), 9/4/07, 3/17/08, 9/16/08, 8/12/09, 11/25/09, 5/12/10, 10/14/10, 5/17/11, 10/24/11, 5/16/12

Date(s) of response letter(s) received : 5/12/04 (request for extension to respond), 10/13/04, 3/8/05 (telephone follow-up), 3/14/05, 8/17/05 (meeting with Senate Legal Counsel), 8/29/05, 6/2/08, 12/1/09 (meeting with AGO), 3/13/12 (AGO)

Recommendation 1 : *Original:* Introduce legislation to grant it authority for the subsistence allowance, to set the amount of the allowance, and to certify it as a public purpose.

As Revised and Re-directed to the AGO: AGO should inform OPA of the results of its review and legal determination on whether the Senate should introduce legislation to grant it authority for the subsistence allowance, to set the amount of the allowance, and to certify it as a public purpose.

As Revised and Re-directed to the DOF: The DOF should promulgate regulations or amend its current regulation to require the Senate to document expenses from the subsistence allowance.

Agency to Act : Senate - Redirected to the DOF

Status : Open – Active

Agency Response : The Senate stated that the subsistence allowance need not be in the form of a law. Instead the Senate asserts that it has implied statutory authority to establish the subsistence allowance for its members by Senate rule because 1 CMC §121(i) states that “expenditures authorized and regulated by legislative rules are expressly declared to be for a public purpose...”

In his response dated 10/13/04, the Senate President informed OPA that after reviewing the controlling legal authorities and after extensive deliberation and discussion, the Senate feels that a comprehensive Constitutional and statutory system currently exists to adequately govern the allowance given to

members of the Senate and that no further legislation is necessary at this time.

OPA Response - OPA did extensive legal research which formed the basis for the recommendation. OPA believes the CNMI Constitution clearly addresses these issues. OPA disagrees that the Senate may impliedly grant itself the authority to create an allowance for expenses through its internal rules. Therefore, until such time as the allowances that have been created by the Senate rules are discontinued, OPA must reiterate that the potential for legal challenges to the constitutionality of the authority for the monthly allowance exists. OPA urges the Senate to reconsider its position and to establish and justify the amount of its subsistence allowance through legislation.

OPA is redirecting this recommendation to the Attorney General's Office for review as OPA and the Senate was unable to reach an agreement to address OPA's concern. Although OPA respects the Senate's position on this matter, OPA still disagrees that the Senate may impliedly grant itself the authority to create an allowance for expenses through its internal rules. As the potential for legal challenges to the constitutionality of the authority for the monthly allowance exists, OPA feels it is in the best interest to refer the legal issues identified to the Attorney General's Office for its legal review and determination.

On 6/2/08, OPA met with the Attorney General. The Attorney General requested for a copy of the audit report and prior communications between the Senate and OPA so that the AGO can conduct its review. AGO will issue an opinion on the legality of the issue.

On 12/1/09, OPA met with the Attorney General. The Attorney General advised OPA that AGO will conduct further review and will provide a letter documenting AGO's decision on the matter.

On 3/13/12, AGO provided OPA with its analysis and determination on the matter. The AGO stated that the allowance system contained in the Senate Rule 12 is the kind of allowance that courts have generally found to be reasonable. Similar allowances have been routinely paid for many years in the Commonwealth. The present allowance is also in place pursuant to statute. These conditions justify the payment of the subsistence allowance as provided by legislation incorporating the house rules.

Further, the AGO stated that DOF has the responsibility to control expenditures to prevent the waste of public funds. If the amount of allowance claimed is unreasonable in relation to this purpose and appears to provide a personal benefit to the legislature, DOF does not have to pay the claim. DOF can require further justification or documentation before paying the claim. DOF regulations requiring documentation of expenses apply to the

legislature, but the current regulations must be amended to apply more effectively to the current form of allowance.

AGO's legal analysis on the matter is sufficient to close the recommendation under AGO and re-direct it to DOF.

Additional Information

or Action Required : The DOF should promulgate regulations or amend its current regulation to require the Senate to document expenses from the subsistence allowance.

Marianas Hawaii Liaison Office

Audit of the Marianas Liaison Office

From October 1, 1999 through December 31, 2002

Date(s) of response letter(s) received : 3/31/06 (request for extension), 4/3/06, 4/18/06

Recommendation 13 : Establish policies and procedures requiring DOF staff to account and record expenditures and receivables related to advances for funeral service charges of medical referral patients.

Agency to Act : Department of Finance

Status : Resolved – Delinquent

Agency Response : DOF agreed with the intent of the recommendation but added that DPH and MHLO have the responsibility to insure transactions are properly entered. To address OPA's concern, the Acting Director of Finance and Accounting was directed to assign a staff member to work with DPH and MHLO to assist them in setting up procedures to ensure proper coding of payment vouchers and cash receipts when entering them into the DOF financial management system. The Secretary of Finance directed this action as DPH and MHLO enter their own payment vouchers and cash receipts into the DOF financial management system and have the responsibility to insure initial transactions are properly entered and the proper accounting codes are used.

OPA Response - OPA agrees that DOF's assistance to DPH and MHLO will help ensure the proper coding and accurate recording of payments and receipts related to funeral advances in the future. Since DOF has a better understanding of the system and the proper coding of payments and receipts, OPA believes that it will also be helpful if DOF establish guidelines and procedures in the proper coding and recording of these payments and receipts which DPH and MHLO can follow.

In his letter dated 3/18/06, the Secretary of Finance stated that they have met with the Medical Referral Office Manager to discuss the recording of accounts receivables for funeral expenses, as well as other medical referral related expenses not covered by the CNMI government. The MRO Manager will renew the existing MOU with each of the responsible parties to ensure that the amount outstanding is accurate. Once this is completed, all the receivables will be entered into the financial management system. He further stated that the DOF will assist with any training needed to ensure the completion of this project.

The Secretary also proposes that all vendor payments relating to funeral expense advances to families come directly out of the Treasury Office on Saipan to ensure that receivable accounts are established correctly through the MRO.

**Additional Information
or Action Required**

: OPA reiterates the need for DOF to adopt written guidelines and procedures to ensure proper accounting and recording of funeral service advances. Written procedures will also help ensure that proper accounting and recording will continue when DOF or MHLO personnel change. The guidelines and procedures can be incorporated in a memorandum or directive from the DOF secretary to DOF and MHLO personnel. A copy of the circulated memorandum or directive should also be provided to OPA so this recommendation can be closed.

Recommendation 14 : Designate DOF staff to review: (a) the outstanding balance of receivable accounts (#12150 and #12151) and (b) disbursements and collections debited/credited to Professional Service expense account to establish an accurate outstanding receivable balance of each promisor.

Agency to Act : Department of Finance

Status : Resolved – Delinquent

Agency Response : DOF agreed with the intent of the recommendation but added that DPH and MHLO have the responsibility to insure transactions are properly entered. To address OPA's concern, the Acting Director of Finance and Accounting was directed to assign a staff member to work with DPH and MHLO to assist them in setting up procedures to insure proper coding of payment vouchers and cash receipts when entering them into the DOF financial management system.

OPA Response - Although the benefit of what DOF intends to do will only be realized prospectively, OPA agrees that DOF's assistance to DPH and MHLO will help ensure the proper coding and accurate recording of payments and receipts related to funeral advances in the future. As DOF has a better understanding of the system and the proper coding of payments and receipts, OPA believes that it will also be helpful if DOF establish guidelines and procedures in the proper coding and recording of these payments and receipts which DPH and MHLO can follow.

In his letter dated 4/18/06, the Secretary of Finance stated that as noted in Recommendation 13, DOF will assist the MRO in booking the accurate A/R amount for each responsible party. The Secretary also noted that the MRO must determine the accurate amount since the receivables were never

included in either the CHC billing system or the DOF financial management system.

Additional Information

or Action Required : As stated in recommendation 13, DOF should provide OPA a copy of the written guidelines and procedures adopted to ensure proper accounting and recording of funeral service advances. These guidelines and procedures should also identify the designated DOF and MHLO personnel responsible for reviewing the accuracy of accounts receivable balances, and for billing outstanding receivables.

Recommendation 16 : DOF should establish written guidelines and procedures for the use of check exchanges. Such guidelines should address: (a) the purpose of check exchanges, (b) circumstances when a check may be issued through check exchange before receiving DOF-Treasury or DOF-Payroll approval, and (c) whether personal checks should be accepted for a check exchange. As DOF requires pre-approval of all check exchange transactions, DOF should establish monitoring procedures to ensure that all check exchanges are collected and credited to the check exchange receivable account.

Agency to Act : Department of Finance

Status : Resolved – Delinquent

Agency Response : The Acting Director of Finance and Accounting was directed to prepare written guidelines for the use of the check exchange account and provide a copy to MHLO and assign a staff member to review the check exchange account periodically to ensure MHLO is following the guidelines.

In his letter dated 4/18/06, the Secretary of Finance informed OPA that they are currently in the process of drafting procedures and guidelines for the use of check exchange accounts. DOF will provide OPA a copy of the policy once completed.

Additional Information

or Action Required : DOF should provide OPA a copy of the written guidelines for the use of the check exchange account for OPA's review.

Recommendation 17 : DOF should issue a memorandum instructing staff to: make adjustments to the proper fund and receivable accounts. The Secretary of Finance should also instruct the staff assigned to record expenditure transactions concurrently with payment transactions to avoid double recording of disbursements. (The Secretary of Finance should ensure that Acct#1972 should be used for all expenditure transactions of medical referral operations, Acct#1041 should be used for operations of MHLO other than medical

referral, and Receivable Acct#12160 should be used for disbursements and deposits of check exchange transactions).

Agency to Act : Department of Finance

Status : Resolved – Delinquent

Agency Response : DOF agreed with the intent of the recommendation but added that DPH and MHLO have the responsibility to insure transactions are properly entered. To address OPA’s concern, the Acting Director of Finance and Accounting was directed to assign a staff member to work with DPH and MHLO to assist them in setting up procedures to insure proper coding of payment vouchers and cash receipts when entering them into the DOF financial management system.

OPA Response - Although the benefit of what DOF intends to do will only be realized prospectively, OPA agrees that DOF’s assistance to DPH and MHLO will help ensure the proper coding and accurate recording of payments and receipts related to funeral advances in the future. Proper coding and accurate recording will then eliminate the need for DOF to perform future bank reconciliation adjustments to correct expenditure accounts of MHLO Operations and Medical Referral Imprest Funds. DOF should provide OPA the name of the DOF official who will be responsible for assisting DPH and MHLO and the target date to complete the task as well as a copy of the written guidelines and procedures to be followed by DOF and MHLO.

In his response letter dated 4/18/06, the Secretary of Finance indicated that there are two imprest fund accounts for the MHLO, one for operational expenses and another for medical referral expenses. He stated that the MHLO has to post each transaction into the appropriate accounts and object class. He also noted that they have provided training on posting transactions to the financial management system to designated staff at the MHLO on two separate occasions.

The Secretary also proposes that all vendor payments relating to funeral expense advances to families come directly out of the Treasury Office on Saipan to ensure that receivable accounts are established correctly through the MRO.

Additional Information or Action Required : DOF should provide OPA the name of the DOF official who will be responsible for assisting DPH and MHLO and the target date to complete the task as well as a copy of the written guidelines and procedures to be followed by DOF and MHLO.

Agency to Act : Department of Public Lands (formerly Marianas Public Lands Authority)

Status : Resolved – Delinquent

Agency Response : On 3/4/04, a member of the 14th CNMI Legislature requested OPA to review documents relating to the status of the outstanding account balance of the former Rota board member. During the review, OPA discovered that some of the documents provided by the member of the 14th Legislature regarding the account balance of the former Rota Board member were not previously submitted by MPLA during OPA's periodic audit recommendation follow-up requests. OPA also discovered that the schedule of payments submitted did not incorporate interest computation.

On 7/21/05, the MPLA Commissioner provided OPA with a copy of the subsidiary ledgers maintained to record payments received from these former board members. The subsidiary ledgers provided incorporated interest computations on the outstanding balances for the former Board Chairman and former Rota Board member.

The statuses of accounts based on the above documents provided by the former MPLA Commissioner are as follows:

Former Chairman of the Board - The account balance through 6/30/05 is \$25,393.86. The MPLA Commissioner stated that since the account is overdue, it would be forwarded to their Legal Counsel for further action.

Former Rota Board Member - The account balance through 6/30/05 is \$52,942.06. The MPLA Commissioner also stated that MPLA is attempting to have a lien put on the former Rota board member's property, and that if no property is pledged; MPLA will bring his account to their Legal Counsel for further action.

Former Tinian Board Member - Based on the stipulation to judgment and order in the civil case against the former Tinian Board member, a settlement agreement was entered for the Tinian Board member to pay the sum of \$11,657 in monthly installments of \$250 beginning January 15, 2000. On 9/29/06, OPA was provided a copy of the former Tinian Board member's account ledger showing that the Court Order in the amount of \$11,657 was fully paid as of October 28, 2004. Based on the account ledger provided to OPA, the part of the recommendation pertaining to the former Tinian Board member is considered closed.

On 4/11/06, DPL provided OPA with the updated subsidiary ledgers pertaining to the accounts listed above. Due to discrepancies found between the balances of these ledgers to the ledgers provided to OPA on July 21, 2005, OPA was unable to accurately ascertain the exact amount still to be recovered from the former Chairman of the Board and former Rota Board member. OPA will be contacting DPL to reconcile the balances. Aside from the account ledgers provided to OPA, DPL stated that the accounts of the former Board Chairman and former Rota Board Member are seriously delinquent. Their accounts will be forwarded to their in-house Legal Counsel for legal action and to obtain some collateral.

On 5/19/11, the DPL Secretary provided OPA with the status and recommendation on how the outstanding balances from the former Rota Board member and the former Board Chairman will be or are being addressed. Copies of the subsidiary ledgers for monitoring payments from the two former officials were also provided.

The statuses of accounts based on the above documents provided by DPL Secretary are as follows:

Former Rota Board Member - The DPL Secretary stated that "As of June 30, 2006, outstanding receivable was \$52,942.06 which includes original principle (sic) of \$25,673.09 plus cumulative interest of \$27,926.71." The Secretary also

stated that the former board member has been performing well in remitting \$400 monthly as scheduled, and had already made a total payment of \$53,600. In the Secretary's opinion, the former board member has paid more than enough and he (Secretary) is recommending that the case be closed.

Former Chairman of the Board - The outstanding account of the former Chairman as of 4/11/11 is \$51,257.41 including interest. The DPL Secretary stated that the former Chairman has not made any payment since May 2004. On April 5, 2011, the DPL Secretary sent a memorandum, to the DPL Legal Counsel to pursue legal action and secure adequate collateral from the former Board Chairman.

OPA's Response: The subsidiary ledger as of 6/24/11 showed that the former Rota Board Member still owes \$50,668.08 computed as follows:

Principal from 1/5/96	\$31,096.00
Interest from 1997 to 2011 (15 yrs. @ 12%)	74,372.08
	<u>105,468.08</u>
Less: Total Payments	<u>(54,800.00)</u>
Balance	<u><u>\$50,668.08</u></u>

The former Rota board member had been paying irregularly and at a smaller monthly installment (\$200) during the earlier years (1997 to 2003). And even when the monthly installment was increased to \$400 in 2004, the total maximum payment of \$4,800/year compounded annually and since 2004 the amount has been about \$5,200 with about a hundred dollars increase every year. At the \$400/month rate, therefore, the balance of the account will never be paid off and will just continue to increase.

OPA merely wants to clarify the issues with the case of the former Rota board member. OPA recognizes the merit of closing the account by emphasizing that over \$54,000 has already been paid for the original principal of \$31,096. However, charging 12% interest annually is normal business practice and the accumulation of the unpaid balance has been the result of untimely payments. The DPL Secretary should seek legal advice on how to close the issue and DPL should adequately document the future action to settle the account.

**Additional Information/
Action Required**

: DPL should continue providing OPA with the updated ledgers of the accounts for the two former board members as well as an update on possible legal proceedings to be taken against the former Board Chairman. Additionally, DPL should inform OPA of DPL's final decision on how to close the account of the former Rota board member, whether DPL would still attempt to have the former Rota board member lien his property and then pursue future collection or seek legal advice on what steps are needed to justify the condonation of the unpaid balance.

Report No. AR-00-04 issued November 22, 2000
Department of Public Lands
(Formerly Marianas Public Lands Authority)
Audit of Collection of Rentals on Land Leases with Quarries
For Six Lease Years from 1990 to 1995

Date(s) of follow-up letter(s) sent : 9/18/98 (DLNR), 11/23/99, 1/26/99, 7/6/00 (DPL), 1/24/01 (DLNR), 8/23/01 (OPL), 8/12/02 (MPLA), 2/14/03, 8/4/03, 4/23/04 (BMPLA), 9/21/04, 2/15/05, 8/9/05, 3/13/06 (DPL), 9/29/06, 2/6/07, 8/28/07, 3/17/08, 8/25/08, 8/12/09, 11/25/09, 5/12/10, 5/17/10, 10/14/10, 5/17/11, 10/24/11, 12/6/11, 5/16/12

Date(s) of response letter(s) received : 10/21/99 (DPL), 10/31/00 (meeting with Coordinating Group on DLNR), 2/8/01 (DPL), 2/22/01, 8/30/01 (OPL), 9/28/01, 3/6/02 (MPLA), 8/19/02, 3/10/03, 6/8/04, 4/11/06, 5/19/11

Recommendation 2 : The DPL Secretary should take steps to collect the \$4.69 million in underpayment of rentals (including interest) on land leases with 8 quarries, and refer those lessees who refuse to pay to the Attorney General's office for legal action.

Agency to Act : Department of Public Lands (formerly addressed to the Board of Marianas Public Lands Authority)

Status : Resolved – Delinquent

Agency Response : After billings were sent to eight quarry operators to collect \$4,690,707.81 in underpaid rentals, Quarry Operator H paid \$789.87 as full payment while \$946,967.58 owed by Quarry Operator B was written off due to bankruptcy.

Four additional Quarry Operators accounts were also considered fully recovered and closed based on OPA's 8/12/04 review of their subsidiary ledgers showing account balances through 5/31/04. These Quarry Operators are: Quarry Operator C of which amount recoverable of \$5,384.25 has been fully recovered, Quarry Operator D of which amount recoverable of \$424,083.85 has been fully recovered, Quarry Operator E of which amount recoverable of \$379,486.51 has been fully recovered, and Quarry Operator G of which amount recoverable of \$27,585.74 has been fully recovered. (OPA's review of the subsidiary ledgers for these four Quarry Operators showed that their account balances included additional rentals and interest which may have increased their receivable, however, OPA applied total payments and adjustments through 5/31/04 to their 1995 balance per OPA's FY2000 audit). For the remaining two Quarry Operators (Quarry Operators A and F), DPL

should continue to pursue collection of \$2,906,410.01 in underpaid lease rentals and interest.

On 4/11/06, the DPL Chief Financial Officer provided OPA with a copy of the subsidiary ledgers showing the account balances for the remaining two quarry operators through 4/10/06 as follows.

Quarry Operator A - Amount recoverable per FY2000 audit is \$2,753,839.88 as of FY1995. Based on DPL records, additional rentals and interest of \$1,826,829.25 increased the receivable to \$4,580,669.13 as of April 2006. Within 2001 to 2005, only \$4,987.50 was paid by Quarry Operator A. Thus, if payments were applied against the old balance, the amount still to be recovered from the 1995 balance is still \$2,748,852. According to the DPL Chief Financial Officer, the account of Quarry Operator A will be forwarded to their in-house Legal Counsel to pursue legal action and obtain some collateral.

Quarry Operator F - Amount recoverable per FY2000 audit is \$152,570.13 as of FY1995. Based on MPLA records, additional rentals and interest of \$708,407.31 increased the receivable to \$860,977.44 as of May 2004. Payments and adjustments as of 5/31/04 totaled \$54,429.25. Thus, if payments and adjustments were applied against the 1995 balance, the amount still to be recovered is \$98,140.88.

In his 4/11/06 update, the DPL Chief Financial Officer provided OPA incomplete subsidiary ledgers for Quarry Operator F. Therefore, OPA is unable to ascertain total amount collected as of April 2006. Total amount to be recovered of \$98,140.88; therefore, remains unchanged from the previous audit tracking report. The DPL Chief Financial Officer informed OPA, however, that there has been no movement in Quarry Operator F's account. DPL will be forwarding this account to their in-house Legal Counsel to pursue legal action and obtain some collateral.

On 5/19/11, the DPL Secretary provided OPA with the subsidiary ledgers for Quarry Operator A and F but the information was incomplete. OPA was unable to ascertain total amount collected as of May 2011; therefore, the total recoverable amount remains unchanged from the previous audit tracking report. In his letter dated 5/19/11, the DPL Secretary informed OPA that a meeting has been arranged with Quarry Operator F to discuss and resolve OPA's findings and will forward the results of the meeting to OPA. The Secretary also stated that no payment was received by Quarry Operator A since the last audit therefore the account will be forwarded to DPL's Legal Counsel to pursue legal action and obtain some collateral.

**Additional Information
or Action Required**

: DPL should continue to update OPA on the status of accounts for Quarry Operators A and F and provide subsidiary ledgers to support account balances and to show total payments made by these two Quarry Operators

for the under-payments mentioned in the report. The Secretary should also inform OPA about the resolution concluded in the meeting with Quarry Operator F and about the results of the Legal Counsels action for Quarry Operator A.

Recommendation 5 : The DPL Secretary should send letters to lessees who misinterpreted certain provisions of the lease agreements/permits and incorrectly computed required rentals, clarifying for them the proper interpretation of material subject to royalty or gross receipts rent, and the common errors noted such as not implementing rate increases on the anniversary dates of lease agreements.

Agency to Act : Department of Public Lands (formerly addressed to the Board of Marianas Public Lands Authority)

Status : Resolved – Delinquent

Agency Response : OPA was provided with a 9/15/00 letter sent by DPL to quarry operator E evidencing communication as to the audit finding on its quarry operations. Another quarry operator, quarry operator H, fully paid its amount due to DPL, so there is no need to send it a letter. We consider the part of the recommendation pertaining to quarry operators E and H closed.

On 12/18/01, OPA was provided with a 3/13/01 letter sent by MPLA to quarry operator G clarifying the proper interpretation of material subject to royalty or gross receipts rent, and the common errors noted such as not implementing rate increases on the anniversary dates of lease agreements. Based on the response provided, we consider the part of the recommendation pertaining to quarry operator G closed.

In her response letter dated 8/19/02, the Commissioner informed OPA that MPLA has not yet sent a letter to Quarry Operator F pending an investigation of the permittee's land exchange claim.

The response submitted by the Commissioner of MPLA dated 3/10/03 did not address this recommendation.

In his response dated 6/8/04, the MPLA Comptroller stated that although Quarry Operator F was involved in a land exchange during the time, MPLA should have notified the lessee about the results of the OPA audit which uncovered revenues of \$115,210.11. The Comptroller provided OPA with a copy of the memorandum he had addressed to the Commissioner requesting him to send a letter notifying Quarry Operator F to this effect.

In his letter dated 4/11/06 DPL Chief Financial Officer stated that in part, this recommendation is connected to recommendation 2 regarding Quarry Operator F. He further stated that he was going to schedule a meeting with Quarry Operator F to discuss the recognition of royalty revenue, and that he would update OPA with the results of the meeting.

In his letter dated 5/19/11, the DPL Secretary stated that DPL is now drafting a comprehensive Regulation and Procedures, in compliance with Public Law 15-2, to address the misconceptions/misinterpretations of computing lease/permit rentals, royalty, interests, and/or gross receipts rent, as well as making sure that rate increases on the anniversary dates of lease agreements are properly implemented.

Additional Information

or Action Required : Upon completion, DPL should provide OPA a copy of its finalized and adopted comprehensive Regulation and Procedures that will address the computation of lease/permit rentals, royalty, interest, and gross receipts. DPL should also provide OPA with any documents evidencing the communication or dissemination of the adopted Regulations and Procedures to all lessees, especially with the remaining Quarry Operator F.

Date(s) of response letter(s) received : 4/11/06, 5/19/11

Recommendation 6 : The Department of Public Lands should adopt policies and procedures, and/or regulations to address the issue of the security of public funds.

Agency to Act : Department of Public Lands (formerly Marianas Public Lands Authority)

Status : Resolved – Delinquent

Agency Response : In his response dated 4/11/06, the DPL Chief Financial Officer informed OPA that through the enactment of Public Law 15-2, all funds of the Department of Public Lands except the frozen funds at Bank of Saipan have been deposited into an FDIC insured institution. He further stated that the funds that are at Bank of Saipan are under a depository agreement and that the agreement reveals the collateralization of the funds.

In its 5/19/11 response DPL only stated that “Through the enactment of Public Law 15-2, all funds of the Department of Public Lands, except the frozen funds at the Bank of Saipan, have been deposited into FDIC insured banks licensed in the CNMI.”

OPA Response: OPA wants to clarify this issue with the new management of DPL. Depositing funds in FDIC insured banks does not guarantee the security of public funds as intended in the Government Deposit Safety Act (PL 4-33 amended by PL 9-13) because FDIC only covers up to \$100,000 of the deposit. The Government Deposit Safety Act states the following:

§ 7803. Deposit Safety Requirements. All funds in the commonwealth treasury may be deposited by the Secretary of Finance to the credit of the CNMI government in any bank ... provided that the bank in which the money is deposited shall furnish and pledge security with bank assets valued at all times at 110% of these funds. Bank assets shall be in the form of United States Treasury bonds and United States Government Agency securities having readily ascertainable market value. United States Government Agency securities are to securities bearing the full faith and credit of the United States Government. Security shall not be required for that portion of any deposit that is insured under any law of the United States.

§ 7807. Provisions of Depository Contracts. Any acceptance by a depository of government funds shall constitute an acceptance of the provisions of Section 7803 and those provisions shall be deemed a part of and incorporated into the contract of deposit without necessity for specific mention thereof. The Secretary shall file with the Public Auditor a copy of formal written contracts of deposit which may be entered into.

Compliance with Public Law 15-2, thereof, does not address the security required by the Government Deposit Safety Act. Funds in FDIC insured banks, if over \$100,000 should still be covered by a pledge of security issued by the bank.

**Additional Information
or Action Required** :

The Department of Public Lands should write policies to ensure that all deposits would be fully collateralized by all depository banks. Subsequently, DPL should provide OPA with documentation that DPL Funds are fully secured in accordance with the Government Deposit Safety Act.

Audit of the Department of Public Safety's
Evidence Controls through June 2004

Date(s) of follow-up letter(s) sent : 3/7/06, 9/25/06, 2/7/07, 3/27/08, 9/16/08, 8/12/09, 11/25/09,
5/12/10, 10/14/10, 5/17/11, 10/24/11, 12/6/11, 5/16/12

Date(s) of response letter(s) received : 3/30/06, 11/8/06, 8/1/07

Recommendation 1 : The DPS should develop and implement a plan of action to address evidence presently in DPS custody. OPA encourages DPS to consult, as appropriate or necessary, with agencies such as the AGO, FBI, US Attorney's Office, Office of the Public Defender, CNMI Judiciary, and CNMI Bar Association. This plan of action should include, at a minimum, the following:

- a) Conducting a physical inventory to determine the actual quantity, classification and condition of evidence;
- b) Reconciliation of the physical inventory list with existing COCs or other evidence listings;
- c) Segregation of items to be disposed, disposal of evidence in accordance with laws and regulations, and proper documentation of all disposals;
- d) Implementation of an evidence tracking system; and
- e) Evaluation of the condition of the existing evidence storage facility and equipment and the implementation of necessary controls and improvements.

Agency to Act : Department of Public Safety

Status : Resolved – Delinquent

Agency Response : In his letter response to OPA's draft audit report dated 9/6/05, the Deputy Commissioner informed OPA that he agrees with most of the findings of the audit conducted and is aware of the issues that need immediate attention and correction for deficiencies. Accordingly, he has instructed one of the Sergeants to begin assessing the following: bars on windows; bar door to main entrance; bars to cover gap; assess bio-hazard chemicals in refrigerator;

procure additional refrigerator; restart master list; labeling shelves; one location for COC; and procure air condition for CST (purchase requisition enroute).

On 1/12/06, OPA staff performed a walkthrough of the new evidence storage facility as requested by DPS. During the walkthrough, OPA staff identified surrounding areas to have been renovated as follows: evidence receiving areas for submission of evidence; 17 separate rooms to house the different types of evidence; key-pad entry for all doors; air-conditioning in every room; back-up generator of up to 24 hours; and security camera system located around perimeter and inner rooms/halls, with records kept for three months. OPA was also informed that new refrigerators for bio-hazard materials have been ordered and a six-foot perimeter fence will be installed around the facility. Based on OPA's observation of the new evidence storage facility, recommendation 1 (e) is now considered closed.

OPA was also informed by DPS during the walkthrough of the new evidence storage facility that DPS is in the process of creating a task force to develop an evidence tracking system. Two personnel from the Guam Police Department's evidence storage facility are scheduled to assist DPS in developing its tracking system and transferring the evidence temporarily stored in two containers into the newly renovated facility. Plans for an additional facility that will be used to store general items of evidence are also being considered. Based on the information provided, OPA considers recommendation 1 (a through d) resolved.

In his letter dated 3/30/06, the CIB Commander stated that due to the organizational restructuring of the CIB, the ongoing project at the evidence room has been delayed. However, he stated that the evidence custodian with the assistance of the Crime Scene Investigators are currently conducting a physical inventory and creating a data base for all evidence materials with respect to items a through d of this recommendation. In addition, he stated that they are also coordinating with the Attorney General's Office to decide what to do with all evidence materials that are no longer needed.

The CIB Commander also informed OPA that their plan to bring in two personnel from the Guam Police Department (GPD) to assist DPS with the creation of an evidence tracking system has been put on hold and most likely will not materialize. This was a result of a recent discovery by GPD that they too are experiencing problems with respect to their handling of evidence. The CIB Commander also informed OPA of a \$48,000 grant which was recently awarded to them under the Justice Assistance Grant for Crime Scene Investigation (CSI) Enhancement Project. He further stated that this money will be used to purchase programs and equipment to aid them in the tracking of evidence.

The response letter from the Sergeant/Evidence Custodial Unit Supervisor dated 11/8/06 did not separately address this recommendation.

OPA Response: There was no follow-up reply to what DPS stated as its course of action in 3/30/06. As for the inventory of items gathered prior to 2006 the process still has not been completed. Thus, DPS has still to inform us about the target completion date.

In his letter dated 8/1/07, the CSI/ECU Supervisor informed OPA that the physical inventory, sorting, identifying, and tagging of evidence and/or properties is still in progress. Segregation of evidence for disposal is done by documenting evidence or property to be disposed on the Evidence List for Disposal Authorization form, which is then forwarded to the Attorney General's Office, Criminal Section for review and authorization to dispose evidence or property.

The CSI/ECU Supervisor also stated that an evidence log book has been implemented to document and register all evidence submitted into the evidence/property facility. He further stated that the present condition of the evidence facility does not affect any operation being performed. ECU is consistently receiving, storing, and releasing evidence or property with no difficulties.

OPA Response: OPA will continue to follow-up on this recommendation until provided with documentation evidencing implementation of the recommended actions outlined in recommendation 1 (a-d).

Additional Information

or Action Required : DPS should continue to update OPA on the status of implementation of the recommended actions outlined in recommendation 1 (a-d) until completed. Once the recommended actions have been implemented or completed, DPS should provide OPA documentation evidencing implementation to formally close the recommendation.

Recommendation 2 : Adopt and implement amendments to DPS policies and procedures regarding the receipt, storage and management of evidence. When developing these policies and procedures, OPA encourages DPS to refer to (1) established industry standards, such as those created by the CALEA or the IAPE, and (2) policies and procedures of established law enforcement agencies, such as the HPD. These policies and procedures should be in writing, be applicable department-wide, and, at a minimum, address the following:

- a) Deadline for submission of evidence;
- b) Temporary storage of evidence;

- c) Required documentation for the collection, transfer and storage of evidence;
- d) Classification, segregation, security, and disposal of evidence;
- e) Structural measures and management controls over the evidence storage facility;
- f) Duties and responsibilities of the Evidence Custodian and any alternate(s);
- g) Prohibition of incompatible duties for evidence room personnel; and
- h) Periodic inspections, inventory, and reports.

Agency to Act : Department of Public Safety

Status : Open – Delinquent

Agency Response : In his letter response to OPA’s draft audit report dated 9/6/05, the Deputy Commissioner informed OPA that he agrees with most of the findings of the audit conducted and is aware of the issues that need immediate attention and correction for deficiencies.

On 1/12/06, OPA staff performed a walkthrough of the new evidence storage facility as requested by DPS. During the walkthrough, OPA was informed that DPS is in the process of creating a task force to develop a Standard Operating Procedures (SOP) manual over evidence controls and that a government attorney will be assigned to take part on the development of the SOP.

In his letter dated 3/30/06, the CIB Commander stated their legal counsel was in the process of reviewing the Honolulu Police Department’s evidence policy to use as a model for DPS when he was transferred unexpectedly. The Commander stated that he will be working with their new legal counsel on this matter. He further stated that the Commissioner has indicated his desire to incorporate some items from the military evidence policy to DPS’s policy.

The response letter from the Sergeant/Evidence Custodial Unit Supervisor dated 11/8/06 did not separately address this recommendation.

OPA Response: The Evidence Custodial Unit Supervisor stated what they are doing at present but there is not mention of a comprehensive written manual.

In his letter dated 8/1/07, the CSI/ECU Supervisor stated that ECU does not have a deadline for evidence submission and that each departmental employee in possession of evidence should be responsible for its safekeeping until submitted into the evidence facility. The supervisor also stated that the ECU does not deal with Temporary Storage of evidence. Required documentation for the collection, transfer, and storage of evidence is

documented on the Evidence/Property Custody Receipt form. A copy of the form was provided to OPA.

With regards to the classification and segregation of evidence/property, the Supervisor informed OPA of its evidence classification type and a diagram of the facility indicating the segregation of evidence. In addition, ECU's facility is now equipped with an electronic security system. An Electromagnetic locking mechanism was installed on the doors of the facility, from the main entrance to all evidence/property storage. OPA was also informed of the duties and responsibilities of the evidence custodian and any alternates. However, he stated that there is no prohibition of incompatible duties for evidence room personnel and that the supervisor should be able to determine if other tasks assigned to evidence personnel conflicts or interrupts with the operation of the evidence facility. ECU is consistent in receiving and releasing evidence and that their only obstacle as far as evidence is the sorting and documentation of evidence that were submitted dating back to the 1980's.

OPA Response: OPA recognizes the written response provided by the CSI/ECU Supervisor which provides a narrative of what actions have been done. However, the response still fails to provide written and duly adopted policies. At the minimum, there should be a written order by the Commissioner to implement such policies.

**Additional Information
or Action Required** :

DPS should continue to update OPA on the status of the development of written policies and procedures to address the receipt, storage, and management of evidence outlined in recommendation 2 (a-h). DPS should provide OPA a copy of the written policies and procedures once they are officially adopted and a copy of the Commissioner's memo or order implementing such policies and procedures to formally close the recommendation.

However, the response still fails to provide written and duly adopted policies and/or procedures to address the issue of the security of public funds.

Agency Response : In his response dated 4/11/06, the CUC Acting Executive Director informed OPA that CUC management is currently assessing its plan of actions to address outstanding OPA recommendations given its current organizational structure under the Department of Public Works. He further noted that the CUC management will be working with the Attorney General's Office to settle recommendations stated in the OPA audit reports and that information regarding the status of such recommendations will be forwarded to OPA as they become available.

CUC's email response dated 5/24/11 from the Chief Financial Officer did not address this recommendation.

OPA Response: OPA wants to clarify this issue with the management of CUC. Depositing funds in FDIC insured banks does not guarantee the security of public funds as intended in the Government Deposit Safety Act (PL 4-33 amended by PL 9-13) because FDIC only covers up to \$100,000 of the deposit. The Government Deposit Safety Act states the following:

§ 7803. Deposit Safety Requirements. All funds in the commonwealth treasury may be deposited by the Secretary of Finance to the credit of the CNMI government in any bank ... provided that the bank in which the money is deposited shall furnish and pledge security with bank assets valued at all times at 110% of these funds. Bank assets shall be in the

form of United States Treasury bonds and United States Government Agency securities having readily ascertainable market value. United States Government Agency securities are to securities bearing the full faith and credit of the United States Government. Security shall not be required for that portion of any deposit that is insured under any law of the United States.

§ 7807. Provisions of Depository Contracts. The Secretary shall file with the Public Auditor a copy of formal written contracts of deposit which may be entered into.

CUC Funds are deposited into an FDIC insured bank in accordance with Public Law 9-13. Funds in excess of \$100,000 are fully collateralized by the banking institute. A copy of the letter from CUC's depository bank assuring sufficient collateral for deposits was provided to OPA on 10/24/11. OPA will no longer pursue the recommendation for written policies. CUC's compliance with PL 9-13 and the documentation of sufficient collateral by the depository bank will be deemed sufficient to close this recommendation.

Recommendation 6 : The President inquire with the Western Association for Schools and Colleges (WASC) as to whether or not the Administration Procedures Act should apply to NMC; if WASC determines that they should apply, the President should ensure that NMC policies are published as regulations as required by the Administrative Procedures Act; if WASC determines they do not apply, the President should bring this matter to the Board to propose legislation which would exclude NMC from the Act.

Agency to Act : Northern Marianas College

Status : Closed

Agency Response : In the NMC Board of Regent's response prior to issuance of the final audit report, the Board agreed that NMC should follow the Administrative Procedures Act on future actions. In his 8/5/03 response, the former NMC President stated that the Board initially approved the first section of revised policies at its regular June meeting. These policies have been reviewed by the Chamorro/Carolinian Language Policy Commission as the initial step in the Administrative Procedures Act and will soon be published. OPA was provided a copy of the first section of revised policies that have already been adopted. NMC will forward more policies as they are adopted.

In his 6/7/04 response, the NMC Director of Finance and Procurement stated that the Office of the President is currently researching the actions taken by the former NMC President to address this recommendation and will provide OPA with the relevant information upon completion of its research.

In his response letter to the Special Legal Counsel for the Governor's Office dated 9/15/06, the Acting President stated that NMC has been working to

ensure that all its revised policies and procedures are published in the Commonwealth Register. He also stated that NMC's lack of adequate personnel has hampered their ability to comply fully with this recommendation, but will continue to work towards full compliance with this recommendation.

On 1/24/11, the NMC Interim President provided OPA a copy of NMC's proposed Board Operations Policy that was adopted by the Board of Regents on 06/27/03 and published in the Commonwealth Register on 9/18/03. However, the document for the published final adoption was not provided.

On 6/29/11, OPA requested from the NMC Interim President via telephone for a copy of the notice of final adoption of the Board Operations Policy. The NMC Interim President stated that she will follow-up and provide OPA with the document requested.

OPA Response – On 10/27/11, OPA was able to retrieve a copy of NMC's Notice of Adoption and Certification dated 04/23/04 from OPA's permanent file. OPA will now consider this recommendation closed.

Recommendation 10 : The Northern Marianas College should adopt policies and procedures, and/or regulations to address the issue of the security of public funds.

Agency to Act : Northern Marianas College

Status : Closed

Agency Response : In his response letter to the Special Legal Counsel for the Governor's Office dated 9/15/06, the Acting President stated that the College's policy is to maintain its funds in FDIC insured banks. The College currently does not have insurance coverage on deposits in excess of the \$100,000 FDIC coverage, but will explore additional insurance options available for amounts in excess of the FDIC coverage. Additional information will be provided to OPA as they become available.

OPA Response: OPA is unsure whether the College's policy for maintaining its funds in FDIC insured banks is a practice or a written policy adopted by the Board of Regents. If it is only a practice, NMC should document and adopt the policy in order to address OPA's recommendation. If the policy has already been documented and adopted, NMC should provide OPA a copy of the written policy for its review to formally close the recommendation.

On 1/24/11, the NMC Interim President provided OPA a copy of NMC's Board Policy pertaining the of the security of public funds which states that all NMC bank accounts shall be with a banking institute insured by the Federal Deposit Insurance Corporation.

OPA Response: OPA has been aware of such NMC Policy and OPA's concern pertains to deposits in excess of \$100,000 that is not covered by the FDIC. The additional policy needed pertains to the awareness and assurance that NMC will comply with the requirement of the Government Safety Deposit Act. According to 1 CMC § 7803, the Deposit Safety Requirements state that "all funds in the commonwealth treasury may be deposited...in any bank...; provided that the bank in which the money is deposited shall furnish and pledge security with bank assets valued at all times at 110% of these funds. Bank assets shall be in the form of United States Treasury bonds and United States Government Agency securities having readily ascertainable market value...Security Shall not be required for that portion of any deposit that is insured under any law of the United States."

On 6/15/12, NMC provided OPA a copy of its Presidential Directive No. 21 which supplements its policy on maintaining back accounts with FDIC insured banks. The Presidential Directive also ensures that when ending bank balances exceeds the FDIC insured amounts per account, the Director of Financial Services and/or the Chief Accountant must request the bank to furnish NMC a pledge security valued at 110% of NMC's funds per account. The document provided to OPA is sufficient to close this recommendation.

Date(s) of response letter(s) received : 7/22/03, 3/22/05, 8/14/06, 10/26/06, 1/4/08, 8/31/09, 9/3/09,

Recommendation 2 : The Fund Administrator should consistently enforce sanctions or other remedies for travel violations. Travelers with unliquidated advances should be denied additional travel advances; payroll deductions should be immediately implemented for travelers who fail to submit the required travel documents on time; and board members, especially those who are not government employees, should be required to immediately repay outstanding travel advances.

Agency to Act : Northern Mariana Islands Retirement Fund

Status : Closed

Agency Response : NMIRF agreed with the recommendation and stated that erroneous and unnecessary travel reimbursements must be collected. The BOT will work with the Administrator towards identifying the travel violations and collecting from the travelers who owe the Fund.

On 7/22/03, the NMIRF Administrator provided OPA with a copy of the memorandum directed to the Fund Comptroller reminding him to strictly enforce the NMIRF Travel Policy that no further travel shall be authorized or permitted for a traveler who has failed to submit the proper vouchers from prior travel, until the vouchers are received and approved by the Administrator, and all outstanding travel advances cleared. He also authorized the Comptroller to deduct from payroll any amounts due from travelers and require Board of Trustees who are not part of the government payroll to immediately repay the advances when a completed travel voucher

is submitted. OPA was not informed, however, of the expected date of when the scheduled overpayments will be collected.

In his response dated 3/22/05, the NMIRF Administrator stated that the Fund is strictly enforcing its travel policy and continuously reminds travelers to liquidate travel vouchers within 10 days after the culmination of official travels. The Fund also collected from travelers anything that was due from each individual traveler upon liquidation of advances.

On 8/14/06, the then NMIRF Administrator stated that no collection attempts have been initiated.

On 10/26/06, the NMIRF Administrator stated that a meeting was held with representatives from OPA, AGO, NMIRF, and CPA to discuss various options to recoup funds expended by the NMIRF Board of Trustees such as civil collection efforts, criminal prosecutions, and statutory revisions potentially allowing retiree pay garnishment. Concerning these options, the issue of statute of limitations and any applicable exceptions to this rule was also discussed. The group discussed with a consensus that the Attorney General had previously prioritized some recoupment actions and will make a test case for the exception to the statute of limitations. In the meantime, NMIRF will issue dunning letters to its previous Trustees.

On 1/4/08, the NMIRF Administrator stated in its response for OPA to revisit the 10/26/06 meeting with the representatives from OPA, AGO, NMIRF, and CPA. No additional updates were provided to OPA.

On 8/31/09, the NMIRF Administrator stated in its response to refer to NMIRF's previous correspondences dated 10/26/06 and 1/4/08. Additionally, in a phone conversation with the NMIRF Administrator on 9/3/09, OPA was informed that NMIRF will forward any updated information pertaining to this recommendation once it becomes available.

In her response letter dated 7/15/11, the Acting NMIRF Administrator stated that the NMIRF recently reviewed the schedule of receivables cited in the audit report and has ascertained that 4 of the 21 travelers listed are deceased. As a result, NMIRF has written off the receivables owed by the deceased individuals. For the remaining balances owed, NMIRF has forwarded the matter to its Legal Counsel to review and determine if NMIRF still has standing to collect, given that the amounts owed are between 11 and 15 years old.

In his response letter dated 12/1/11, the NMIRF Administrator informed OPA that based on its legal review, NMIRF will not take action to collect the overpayments cited in this audit report pursuant to 7 CMC § 2504 of the

Commonwealth Code. Based on NMIRF's response and OPA Legal Council's concurrence on this matter, this recommendation is now considered closed.

Recommendation 8 : The Fund Administrator should instruct his staff to recalculate and adjust the pension benefits of all other fund members by disregarding overtime and comp-time hours that were considered as additional credited service.

Agency To Act : Northern Mariana Islands Retirement Fund

Status : Resolved – Active

Agency Response : NMIRF obtained the legal opinion of AGO on whether overtime and compensatory time can be used to determine the benefit amount of a retirement annuity.

AGO, in its legal opinion dated 6/9/00, stated that overtime and compensatory time may not be used to calculate the amount of benefit, but only for determining eligibility for retirement. AGO also stated that overtime and compensatory time cannot be used to determine the amount of the benefit paid to a retiree by the Retirement Fund.

AGO recommended that re-calculation of benefits to affected members should be made, and the amount of overpayments should be determined. AGO further stated that members should be informed and advised of their right to appeal an adverse determination. If no appeal is filed, then the collection process must be undertaken by the NMIRF.

The Fund is in the process of determining which beneficiaries have been overpaid. Further actions will be taken after this determination, *i.e.*, informing affected beneficiaries, appeal and collection process, etc.

In his response dated 7/22/03, the NMIRF Administrator stated that the pensions of two former CPA officials were recalculated "down" from the original calculations. OPA was not informed, however, of the results for recalculating the pension benefits of all other fund members in determining which beneficiaries have been overpaid and what further actions were taken after their determination.

On 3/22/05, the NMIRF Administrator stated that at the 3/10/05 Board of Trustees meeting, the Board agreed to revisit the issue of recovering overpayments at its next regular meeting. The Administrator also stated that the Fund does not currently have a full-time legal counsel.

On 8/14/06, the then NMIRF Administrator stated that the recalculation of pension benefits is ongoing, yet is subject to certain due process applications of the Administrative Procedure Act prior to recoupment.

In her response letter dated 7/15/11, the NMIRF Acting Administrator informed OPA that the NMIRF has commenced the process of determining which beneficiaries have been overpaid and computing the overpayment amounts. Thereafter, NMIRF will initiate efforts to collect on such overpayments through the Administrative process.

In his response letter dated 12/1/11, the NMIRF Administrator informed OPA that the audit of the overtime/compensatory time is still ongoing. NMIRF will advise OPA of the results of their review once completed.

On 6/1/12, the acting NMIRF Administrator informed OPA that its' internal auditors have completed the first phase of reviewing the files of the top 120 overtime/compensatory time recipients. As of May 8, 2012, the Fund has written to the affected retirees advising them that the Fund will adjust their pension benefits effective the June 15, 2012 pay period. The affected individuals were afforded the opportunity to appeal the Administrators decision of collecting the computed overpayment of benefits receive by June 8, 2012. The Administrator will assign an Administrative Hearing Officer to hear all requests for appeal received by NMIRF. Further, the Fund's internal

auditors have commenced the second phase of the audit with another 60 member files under review. The Fund's internal auditors will continue the overtime/compensatory time audit in phases until completed or by December 31, 2012.

Additional Information

or Action Required : NMIRF should inform OPA of a target date when their recalculation of pension benefits for all other fund members will be completed. Once completed, NMIRF should provide OPA evidence that corrective action was taken to adjust the benefits of affected members.

Recommendation 9 : The Fund Administrator should recover improper payments to the two former CPA officials totaling \$126,730.06, and also from all other fund members who have been overpaid by including overtime and comp-time in the computation of their retirement annuity. If any problems exist in recovering overpayments, refer the matter to the Attorney General for legal action.

Agency to Act : Northern Mariana Islands Retirement Fund

Status : Resolved – Active

Agency Response : On 5/15/00, the Fund began withholding 50% of the former CPA Executive Director's semi-monthly pension. The Fund also conducted two separate agency hearings in connection with the retirement benefits improperly paid or being paid to the former Executive Director and former Security Chief. In its decision dated 2/15/01, the Fund's Board of Trustees affirmed the decision and actions of its Administrator in terminating the retirement benefit of the former Security Chief. Also, in a letter dated 7/27/00, AGO concurred with the findings of OPA and determined that the overpayment to the former Security Chief of CPA must be recovered. The Fund's Board of Trustees has not yet issued its decision on the case of the former Executive Director. On 4/2/03, OPA was provided with a copy of the Board of Trustees decision dated 6/21/01 in which it affirmed the decision and actions of its Administrator in re-calculating and adjusting the retirement benefits of the Former Executive Director. OPA was informed; however, that the Former Executive Director had appealed the Board's final decision to the Superior Court (Civil Action No. 00-0409E) and the case is still on-going.

In his response dated 7/22/03, the NMIRF Administrator stated that they will update OPA on this issue when the CNMI Courts renders its decision on the Former Executive Director's appeal to the Superior Court.

On 3/22/05, the NMIRF Administrator stated that at the 3/10/05 Board of Trustees meeting, the Board agreed to revisit the issue of recovering overpayments at its next regular meeting. The Administrator also stated that the Fund does not currently have a full-time legal counsel.

In a phone conversation with the NMIRF Administrator on 4/5/05, OPA was informed that the Former Executive Director's appeal to the Superior Court is still on-going.

In his 8/14/06 response, the then NMIRF Administrator informed OPA that recoupment from his benefits from one of the former CPA officials will commence if and when re-employed with the government. For the other former CPA official, pursuant to a stipulation the case will be returned to the administrative hearing process and a new Notice of Administrative Hearing will be issued forthwith.

In his 1/4/08 response, the NMIRF Administrator stated that one individual is unemployed and is currently seeking employment and has approximately 20 months before retirement eligibility; and, upon re-employment or retirement recoupment will be sought. For the other individual, his case has been submitted and is under advisement with the court.

On 8/31/09, the NMIRF Administrator stated in its response to refer to NMIRF's previous correspondences dated 10/26/06 and 1/4/08. Additionally, in a phone conversation with the NMIRF Administrator on 9/3/09, OPA was informed that NMIRF will forward any updated information pertaining to this recommendation once it becomes available.

On 7/15/11, the NMIRF Acting Administrator informed OPA that it has not executed a settlement agreement with the former CPA Security Chief. Subsequent to the re-computation of his pension benefit which omitted any comp-time credit, the former CPA Security Chief no longer qualifies to receive retirement benefits. As such, NMIRF has ceased his benefits but was not able to collect any amounts from the former CPA Security Chief as he has been unemployed since 2000. NMIRF also noted that the former Chief suffered from a stroke several years ago which has made his ability to pay even more unlikely. NMIRF will initiate efforts to work out an arrangement with the former CPA Security Chief to recover the overpayments however nominal.

For the former CPA Executive Director, NMIRF has fully recovered \$69,816.17 in overpayment for the period covering March 2008 through February 2010. A copy of the accounts receivable subsidiary ledger was provided to OPA evidencing the full recovery of the overpayment. The former CPA Executive Director is now receiving his full and corrected pension along with any related COLA adjustments. The part of the recommendation pertaining to the former CPA Executive Director is now considered closed.

In his response letter dated 12/1/11, the NMIRF Administrator informed OPA that the audit of the overtime/compensatory time is still ongoing. NMIRF will advise OPA of the results of their review once completed.

In her response dated 6/1/12, the acting NMIRF Administrator informed OPA that in its attempt to negotiate some kind of settlement agreement with the former CPA Security Officer, the Fund discovered that affected individual has been unemployed since tax year 2006. Based on the information provided, it does not appear the Fund will be able to recover the overpayments made to the affected individual. However, the Fund is considering other options to recover the overpayment.

Additional Information

or Action Required : NMIRF should provide OPA evidence of a written settlement agreement with the former CPA Security Chief requiring repayment to the Retirement Fund.

Recommendation 9 : The Northern Mariana Retirement Fund should adopt policies and procedures, and/or regulations to address the issue of the security of public funds.

Agency to Act : Northern Mariana Islands Retirement Fund

Status : Closed

Agency Response : In his letter dated 8/14/06, the then NMIRF Administrator stated that they are currently in compliance with law as evident by their receipt of monthly Collateral Security Agreements from its banking institution.

OPA Response -The receipt of the monthly Collateral Security Agreement between NMIRF and the bank is insufficient to close the recommendation. This agreement does not state how NMIRF is to manage its operational funds.

On 7/15/11, the NMIRF Acting Administrator provided OPA a copy of its draft resolution policy pertaining to the issue of the security of public funds for the

Board of Trustees' consideration. Once approved, NMIRF will provide a copy to OPA.

On 12/7/11, the NMIRF Administrator provided OPA a copy of its adopted resolution policy pertaining to the issue of the security of public funds. The copy of the adopted resolution is sufficient to close this recommendation.

Report No. AR-03-05 issued August 6, 2003
CNMI Senate, Thirteenth Legislature
Monthly Subsistence Allowance Provided to Members
of the Senate Covering the Period Ending June 30, 2002

Date(s) of follow-up letter(s) sent : 4/13/04, 9/27/04, 2/15/05, 8/9/05, 9/22/05, 3/8/06, 2/7/07, 8/23/07, 3/20/08, 8/12/09, 11/25/09, 5/12/10, 5/17/10, 10/14/10, 5/17/11, 10/24/11, 12/6/11, 5/16/12

Date(s) of response letter(s) received : 5/12/04 (request for extension to respond), 10/13/04, 3/8/05 (telephone follow-up), 3/14/05, 8/17/05 (meeting with Senate Legal Counsel), 8/29/05, 9/11/08

Recommendation 2 : Undertake an analysis of reasonable travel costs to ensure that the amount set for allowance is appropriate given expenses incurred.

Agency to Act : Senate

Status : Open – Active

Agency Response : The Senate said it will replace the existing subsistence allowance system with a new revolving reimbursement system that would use uniform per diem rates to reimburse Senators for expenses incurred in the exercise of their constitutional duties. It would also conduct an analysis of travel expenses to ensure that the new per diem rate was reasonable.

In his response dated 10/13/04, the Senate President informed OPA that after reviewing the controlling legal authorities and after extensive deliberation and discussion, the Senate feels that a comprehensive Constitutional and statutory system currently exists to adequately govern the allowance given to members of the Senate and that no further legislation is necessary at this time.

OPA Response - OPA did extensive legal research which formed the basis for the recommendation. OPA believes the CNMI Constitution clearly addresses these issues. OPA disagrees that the Senate may impliedly grant itself the authority to create an allowance for expenses through its internal rules. Therefore, until such time as the allowances that have been created by the Senate rules are discontinued, OPA must reiterate that the potential for legal challenges to the constitutionality of the authority for the monthly allowance

exists. OPA urges the Senate to reconsider its position and pursue the analysis to determine the reasonable amount of members' travel allowance. In a telephone follow-up conversation with a Senate Legal Counsel, OPA was informed that the Senate's position on this matter remains the same. Therefore, this recommendation will remain *Open - Active* until such time that the Senate reconsiders its position and addresses OPA's recommendation.

On 8/17/05, OPA met with the Senate Legal Counsel to discuss OPA's audit recommendations. The Senate Legal Counsel informed OPA that the Senate's position on this matter is essentially the same. However, OPA expressed its concern that a better system of accountability should be established. On 8/29/05, the Senate President reiterated to OPA that the Senate's position on this matter still remains the same and that no further legislation is necessary at this time. However, after discussing the matter with the Senate Legal Counsel and the concerns expressed by OPA staff during the 8/17/05 meeting, the Senate President agreed that a better system of accountability should be established. The Senate President therefore requested OPA's assistance in establishing an accounting system for the monthly Senatorial allowance or stipend that balances ease of use and proper accountability and is mutually acceptable to both the Senate and OPA.

In OPA's response to the Senate President dated 9/22/05, OPA stated that in developing a system for the Senate's use, OPA consulted with representatives of the Hawaii Legislature, the Hawaii State Auditor, the Virgin Islands Inspector General, and the American Samoa Territorial Auditor because of the similarities in the multi-island geographic composition of the state or territory and the level of sophistication of accounting systems. OPA provided the Senate President with a copy of the Hawaii House Administrative and Financial Manual for the Hawaii House of Representatives, Twenty Second State Legislature as reference in developing an accounting system for the monthly allowances paid to CNMI Senators. In its letter, OPA cited various requirements, restrictions, and forms which must be completed governing the Hawaii Legislature's annual allowance. For the CNMI Senator's stipend, OPA proposed a simple one page form which would simply list the date and amount of the monthly disbursement and then account for its usage. Since the Senators are currently being required to provide the Senate President with their monthly receipts; this system incorporates that method and makes it easily reviewable. This form will also allow the Senators to undertake an analysis to determine reasonable travel costs to ensure that the amounts set for allowances are appropriate for the expenses incurred.

In his response dated 9/11/08, the Senate President informed OPA that he has instructed the Senior Legal Counsel to write an opinion regarding the subsistence allowance. OPA acknowledges that and has instructed the Legal Counsel to meet with OPA Legal Counsel to discuss a final resolution.

Additional Information

or Action Required : The Senate should inform OPA whether or not it will adopt the proposed form for accounting the monthly Senatorial allowance.

Recommendation 3 : Document travel activity to enable the Senate to more accurately estimate an appropriate monthly allowance.

Agency to Act : Senate

Status : Open –Active

Agency Response : The Senate agreed to provide OPA with a written analysis of what it considers as reasonable travel to support changing the amount set for the monthly subsistence allowance.

In his response dated 10/13/04, the Senate President informed OPA that after reviewing the controlling legal authorities and after extensive deliberation and discussion, the Senate feels that a comprehensive Constitutional and statutory system currently exists to adequately govern the allowance given to members of the Senate and that no further legislation is necessary at this time.

Additional Information or Action Required : The Senate should inform OPA whether or not it will adopt the proposed form for accounting the monthly Senatorial allowance.

Recommendation 5 : Amend legislation and/or travel policy to prevent senators from being reimbursed for other concurrent travel.

Agency to Act : Senate

Status : Open – Active

Agency Response : The Senate stated it would take action so that members do not receive "double compensation" for travel costs.

In his response dated 10/13/04, the Senate President informed OPA that after reviewing the controlling legal authorities and after extensive deliberation

and discussion, the Senate feels that a comprehensive Constitutional and statutory system currently exists to adequately govern the allowance given to members of the Senate and that no further legislation is necessary at this time.

The Senate should amend language in legislation and/or travel policy requiring senators to adjust their vouchers or allowances so as not to obtain reimbursement for other concurrent travel.

Independent Auditor's Recommendations

The Office of the Public Auditor is not responsible for tracking the implementation of recommendations issued by private CPA firms; however, they are included in our audit tracking report for information purposes. Because OPA is responsible for overseeing all audits of the CNMI government, follow-up procedures are also conducted for these recommendations to determine what actions have been taken by the individual agencies to implement the recommendations issued by private CPA firms. A copy of the agencies responses is subsequently provided to the Independent Auditor who conducted the audit to determine whether the agencies' responses are sufficient to consider the recommendation resolved.

Based on the classification followed by private CPA firms, a recommendation is described as either resolved or unresolved.
